Fancy Fems, Slick Chicks start fast

Fancy Fems and Slick Chicks are off to a fast start in the Mississauga Ladies Basketball Association, a recreational league which commenced its fall season with a pair of games Thursday night.

Led by Donna Misiner's eight points, Fancy Fems outclassed Dancing Dollies 22-13.

In the other half of the league-opening doubleheader at Applewood Secondary School Slick Chicks

were of full value for their 22-16 victory over Mod Squad.

While Donna Misiner's eight points were responsible for more than one third of Fancy Fems' winning total points, Dancing Dollies had their own star in Penny Venning, who popped in six points, nearly one half of her squad's total.

Norma Walter led six-point outpace Slick Chicks. Marion Houghton, with a seven-point contribution, was Mod Squad's

leader in a losing cause. "We have had excellent response in respect to membership," said Judy Tutty, convener of the four-team loop. "We are considering a six-team circuit for the winter season, starting in January."

She added that application for memberships will be available during special registration nights.

Dates will be announced later.

Next Thursday night Mod Squad will attempt to get on the winning trail against Fancy Fems, while Slick Chicks will try to make it two wins in a row when they meet Dancing Dollies.

First game of the doubleheader is at 8 p.m.

Streetsville wins its first game in high school senior league

A never-say-die attitude paid handsome rewards to Streetsville of the Peel County Secondary School football league's senior B division.

Down by four points, coach Bob James' charges put together a last-ditch drive and capped their efforts with a touchdown on the very last play of the game to post a nerve-wracking 14-11 win against visiting T. L. Kennedy Kougars Friday afternoon.

It was a sweet victory for Streetsville in more ways than one.

For one thing, it ended a three-game losing streak. It also kept the squad's mathematical playoff chances alive.

Streetsville was not the

lone senior B team with a great cause to celebrate. Clarkson chalked up its fourth consecutive win of the season, 9-0 over visiting Glenforest, and became the first team in Peel County to clinch a playoff spot.

KEY WIN

The only other contest of the senior B loop saw Central Peel victorious by a 14-6 count over Bramalea in a key game to gain sole possession of the runner-up spot with six points, two fewer than league-champion Clarkson, and two ahead of Bramalea.

T. L. Kennedy, Glenforest and Streetsville each have two points.

Although the fate of the league title may not be decided until the last round

of competition in two weeks, the playoff picture may be clarified somewhat this Friday, when Streetsville hosts Clarkson; Central Peel and T. L. Kennedy meet at Central Peel, and Glenforest visits Bramalea.

Bob Handley and Wayne Steriff got majors for Streetsville in the closely-contested triumph over the punchless T. L. Kennedy team, which suffered its third straight defeat against a consolation victory in the first round of league action.

CONVERTS

Bob Shadle kicked both converts for the winners.

Kougars got their only major from Jim Williams. Ben Vandercamp kicked a field goal and Bob Therault added a two-point safety.

As usually reliable Al Rizzuto added a field goal for a measure of safety for Clarkson, which has scored 65 points and conceded only 10 in its first encounters of the season.

Clarkson's defense held its ground without too much difficulty against the determined Glenforest offensive unit.

Dave MacMillan was responsible for Clarkson's touchdown.

Tom Maderos and Rick Morenz were the big guns for Central Peel in a vital victory over Bramalea. The result considerably boosted Central Peel's chances of a second-place finish.

Mind you, head coach Bob McLean's team hadn't conceded the top spot yet.

School golf

Gordon Graydon Secondary School's dream of an Ontario high school golf championship title failed to materialize.

Competing against 30 other schools who had fought their way through elimination tournaments in their respective areas to qualify for the final round, Gordon Graydon golfers came 14th, 15 strokes behind champion London Oakridge.

Oakville, Peel-Halton's second representative side, finished fifth with 239 strokes.

The finals were held in Peterborough.
