Sir,
I have the honour to acknowledge the receipt of your letter of the 11th inst (no. 80,394) and I have returned the papers which were enclosed herewith. The first and fourth clauses of the regulations submitted by the Cumberland Band appear to be ultra vires of the Chief in Council.

I have made a few changes in the other clauses, and am sending them. I think they are within the law, and if passed, are capable of being enforced.

I am, Sir,

Your obedient servant
Geo. A. Fraser
Acty Secy.

Superintendent General
Of Indian Affairs
