Com^{rs}

The Com^{rs} having propos'd to the Com^{rs}
of the Massachusetts Bay to have a private Conference with
the Sachms of the Six Nations to Endeavour to
prevail with them to send one ^{Sachms} of each of their
Nations to the Eastern Ind^{ns} to bring them to
terms of Peace wth our Brethren of England
w^{ch} being approv'd by the 3^d Com^{rs} ~~on~~ this Board
made the following speech to them

Brethren We heard your Proposition to the Cahnawage
and other Sachms living at Canada & their Answer
but can't understand that any thing has been yet
transacted to bring an End to the War the Eastern
Ind^{ns} have so unjustly Engag'd & taken in hand
against our Brethren of England, As we have
taken on us to be Mediators to put an End to this War
in the best Manner We are able for the Honour
of the British Interest in Gen^l it is for that pur-
pose we do propose unto you whether it will not be
adviseable since you have Engag'd in taking
up the Hatchett against those Ind^{ns} for you to
offer unto the Com^{rs} appointed for the Governmt.
of the Massachusetts Bay that you send one
Sachim of each of your several Nations to those
Eastern Ind^{ns} wth positive Orders that they forth-
with come to Terms of Peace & Submission
