Ottawa, July 11th. 1922.

My dear Britton:

I am very sorry indeed to hear on my return from an automobile run South that you have been taken ill and have had to undergo a serious operation. This is to express the hope that you have got through in good strong shape, and are rapidly recovering. Illnesses are not common in the Osler family, and I sincerely hope that this is your last for a long time.

Yours sincerely,

Britton Osler, Esq., K.C.,  
TORONTO, Ont.
