BURNABY, B.C. December 30th, 1930

Sam. Mc Clay, President,  
Vancouver Harbour Commissioners  
Vancouver, B.C.

Gentlemen:

May I ask your kind consideration in the case of Capt. W.J. Boyd. The Capt. has been associated with the Conservative Association during all of his 20 years residence in Burnaby.

Having been the principal leader at the forming of East Burnaby Conservative Association in 1912, and is looked up to as one of the Stalwarts of our Party. I understand he is applying for some position in connection with the Harbour Board.

The Captain has suffered a great injustice at the hands of the late Liberal Government through him being one of our workers, he was let out when the Liberals went into power in 1922 through no fault of his own. It is incumbent upon us as a Party to see now as our party is in power that Capt. Boyd gets employment we owe him that. His references & certificates are most excellent. The success of Captain Boyd in this endeavour will greatly please all Conservatives in this district.

Signed, Wm. Manson,

Secy.
