

August 24, 1918.

Sir,-

I beg to inform you that the Ottawa Exhibit will be held from the 7th September to the 10th.

The Department will depend on you to make the necessary arrangements to have Mr. Ambrose Denis and two Abenakis girls here for the Monday morning 9th Sept with all the necessary materials for the making of car ash and sweet grass baskets, as already understood.

I would also greatly appreciate if the Abenakis could be induced to provide themselves with some of the native dress, in order to make their exhibit as interesting as possible.

Your obedient servant,

Howland
Asst. Deputy and Secretary.
