

you letter of March 28th which
 came at the same time. It is
 indeed kind of you to have set
 aside \$500.00 as the nucleus
 of a fund upon which I might
 draw as required in connection
 with the boys' higher education.
 Both the boys and I appreciate very
 deeply your kindness in this matter.
 I should find myself, in the fall,
 of the present year, unable to
 finance the boys through the College
 years 1931-1932 you may be sure
 that I will gladly and gratefully
 avail myself of your generous offer.
 I too hope that it may be
 possible to see you while we are
 in Toronto this summer. Arthur
 and I are looking forward eagerly
