

He. 10th at three o'clock in the house. It
will not be a large wedding but I am asking
Prin. Madge & James Sims, Helen M. & Harold,
Ottel & Cora & a good many Camp Gordon people
who are Gordon's friends.
This is all I have time for if I want
to catch this mail. Thank you very
so much for your kindness & note
but for your loving order
Yours

prefers the old English, and all her
own things are being packed with
it. It is her last chance to use
it!
Cora yesterday gave her 1 dozen
cash knives the knives I wanted
steel, but Jean would love the
silver knives I know. She will
not use this good silver all the
time but I had some old silver
I bought from Aunt Jennie which
I am going to give her for every day.
We have 800 all her knives if you
have been buying them, you know
what that means!
Gordon 800 word definitely that he
is to go to Denver on the 23rd Jan
so we have decided on Saturday
