Your File 31167-16

Further to my letter of October 22nd, I am enclosing Mr. Indian Agent Taylor's letter of November 21st and resolution of the Squamish Band requesting that an estimated cost of \$346 for relocating a part of the pipeline serving the Chekwelp Reserve No. 26 be paid from Band funds and that future maintenance costs of the system be paid from Band funds as and when necessary. It apparently is the intention to have this work done without engineering supervision by the Indian Agent. //

I would recommend that Mr. Taylor be authorized to proceed.
