

2. If it is decided to liquidate the Fund within six months of the date of the decision to liquidate the Special Drawing Account, the liquidation of the Special Drawing Account shall not proceed until special drawing rights held in the General Account have been distributed in accordance with the following rule:

After the distribution made under 2 (a) of Schedule E, the Fund shall apportion its special drawing rights held in the General Account among all members that are participants in proportion to the amounts due to each participant after the distribution under 2 (a). To determine the amount due to each member for the purpose of apportioning the remainder of its holdings of each currency under 2 (c) of Schedule E, the Fund shall deduct the distribution of special drawing rights made under this rule.

3. With the amounts received under 1 above, the Fund shall redeem special drawing rights held by holders in the following manner and order:

- (a) Special drawing rights held by governments that have terminated their participation more than six months before the date the Board of Governors decides to liquidate the Special Drawing Account shall be redeemed in accordance with the terms of any agreement under Article XXX or Schedule H.
- (b) Special drawing rights held by holders that are not participants shall be redeemed before those held by participants, and shall be redeemed in proportion to the amount held by each holder.
- (c) The Fund shall determine the proportion of special drawing rights held by each participant in relation to its net cumulative allocation. The Fund shall first redeem special drawing rights from the participants with the highest proportion until this proportion is reduced to that of the second highest proportion; the Fund shall then redeem the special drawing rights held by these participants in accordance with their net cumulative allocations until the proportions are reduced to that of the third highest proportion; and this process shall be continued until the amount available for redemption is exhausted.

4. Any amount that a participant will be entitled to receive in redemption under 3 above shall be set off against any amount to be paid under 1 above.

5. During liquidation the Fund shall pay interest on the amount of special drawing rights held by holders, and each participant shall pay charges on the net cumulative allocation of special drawing rights to it less the amount of any payments made in accordance with 1 above. The rates of interest and charges and the time of payment shall be determined by the Fund. Payments of interest and charges shall be made in special drawing rights to the extent possible. A participant that does not hold sufficient special drawing rights to meet any charges shall make the payment with gold or a currency specified by the Fund. Special drawing rights received as charges in amounts needed for administrative expenses shall not be used for the payment of interest, but shall be transferred to the Fund and shall be redeemed first and with the currencies used by the Fund to meet its expenses.
