Girls! Be Attractive to Men--

Nature Intended You Should Be!

WHEN a woman is well and healthy—there's a sparkle in her eyes, a rose tint in her cheeks, and she has rich red blood. There's elasticity in every movement and a spring in her step. Love comes to every woman who has bounding health, but when she is pallid, dull eyed, languid, she has no magnetism nor does she appeal to any man.

Such a change in feelings and in looks! After taking

Dr. Pierce's GOLDEN MEDICAL DISCOVERY

the skin becomes clear, the eyes brighter, the cheeks plump.

Druggists sell the Discovery in tablets or liquid. It is an invigorating, restorative tonic for both men and women; purely vegetable, non-alcoholic, and perfectly harmless.

One who has used it said: "I was in very poor health, suffered from weak stomach, my food did not digest properly and I would suffer from severe pains and aches in the pit of my stomach. But after taking a few bottles of Dr. Pierce's Golden Medical Discovery I was feeling fine, it strengthened the nerves of my stomach, aided my digestion and I regained my natural health and strength."—Mrs. Cora Hicks, 247 Hill St., London, Ont.
