Glasses Versus Powders

Nostrums never did and never will cure a headache. If the headache is caused by eyestrain or some kindred affection.

We know people who have taken headache powders for years, with only the most trifling, temporary relief—and who have found permanent benefit in ten minutes by wearing properly fitting glasses.

OUTLAWS

All British Soldiers, Including Kitchener and Staff, so Branded by Botha.

Paris, Nov. 4.—The text of General Botha's counter-proclamation to Lord Kitchener's recent proclamation has reached here. It declares:—

"Whereas, no official of the Orange Free State or the Transvaal Republic, and no general, commandant, or burgher, intends to obey Lord Kitchener's proclamation or to trouble with it.

"And, whereas, the proclamation contains falsehoods, habitual to the English.

"And, whereas, Lord Kitchener's proclamation has strengthened the determination of all burghers to resist to the end; now,

"Therefore, I, Louis Botha, commandant-general of the Republican forces, with the consent of the Governments, officers and burghers of both Republics, proclaim Lord Kitchener, his staff, and the officers and soldiers serving under his orders fighting us now to be outlaws in South Africa, and all officers and burghers in the two Republics and in Cape Colony are ordered to shoot every armed Englishman whom they meet."

Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

HE ESCAPED

Nelson Marshland Experienced a Dangerous and Exciting Adventure at Taylor's Mills.

Nelson Marshland, who is engaged in digging out the basement of the new T. H. Taylor flour mills, met with a very narrow escape this morning.

The dirt which is being taken from the mill site is being utilized in building up the creek bank. Mr. Marshland was driving one of the scrapers and had filled up his scraper and was driving to the edge of the bank when his horses became frightened and commenced to back up.

Mr. Marshland was standing at the side of the scraper and was pinned between the wheel of the scraper and a building which stands on the bank near the place where the men were working.

One of the other workmen seeing his danger sprang forward and pulled the horses ahead, thus freeing Mr. Marshland from his perilous position. Had it not been for this prompt action Mr. Marshland would have undoubtedly received some serious injury. As it was his right leg was badly bruised and he will be laid up for a few days.

FOUR MEN DROWNED.

Detroit, Nov. 4.—A special to the News from Michigamme, Mich., says four prominent young men of this village, George W. Levin, Abel Levin, Emil Carlson and Albin Carlson, were drowned late yesterday afternoon in Lake Michigamme. The men crossed the lake earlier in the day in two boats, the Levin brothers in one and the Carlson brothers in the other. A storm came up, and the party started home in one boat, which it is supposed capsized. A searching party was out all night, but no trace of the bodies of the men or their boat could be found.

Alive, Yet Half Dead.

Feeling miserable. This is the condition of thousands of growing girls and women. Can't eat enough to be truly alive. Digest so little of what they do eat, as to scarcely know what course. Eat more, digest more, then feel streaming through life's renewed current, the buoyancy, the strength, the hopefulness of youth. Simply done if you'll just use Ferrozone, the wonderful blood maker, nerve strength and brain vigor. McCall & Co., druggists, know all about it. Call and ask them about it.
