

Cooper Seldon Co. Clayburn Store

CAN YOU BE CONVINCED?

Many people think that it is impossible to find a first class general store in a village this size—there is one here, however, and a visit will satisfy you of the fact. The stock of Groceries, Dry Goods, Boots, Hardware, etc., are bought from the best wholesale houses in Canada and we can sell at the **LOWEST PRICES**. Family Trade is especially solicited. Your patronage is always appreciated and will have the best attention.

This is COOPER SELDON CO.'S Up-to-Date Creamery and Store at the Station, where there is a general trading carried on with the farmer—buying whatever he has to offer and selling Feed and General Merchandise; the object being to work for the benefit of the District, which is a splendid dairying one. One Store well looks after the workers in the Brickyards and Mines, the other the farming community a mile distant.
