A Guide to Better Shoes

Where you see this Price-Ticket in
Shoe-store windows select your fav-
orite Style of Shoe with Neolin Soles

WHEN you buy shoes, look for
this Neolin Sole price-ticket
in shoe-store windows.

It is the mark of a value-giving
merchant—a merchant with a good
stock of better shoes—shoes with
Neolin Soles.

You will know that this merchant
aims to offer his customers the kind
of shoes they should have. Longer-
wearing shoes which reduce shoe-
bills. More comfortable shoes, light
and flexible. Shoes with damp-proof
soles.

Whatever the shoes you wish—
Sunday shoes or work-shoes, women's
walking shoes or house shoes, chil-

dren's school shoes—you can get
them with Neolin Soles.

Watch for this price-ticket.
Where you see it, ask for your
favorite style of shoes with Ne-
olin Soles.

Neolin Soles—half-soles and
full-soles—are nailed or sewn on
all kinds of shoes by manufactur-
ers, repairmen, and at home.

Neolin Soles have been a great
success. So they have imitators.
But the methods and materials
that make Neolin Soles superior
are known only to Goodyear.
You can be sure of Neolin Sole
quality only when you see the
trademark "Neolin" on the bot-
tom of the sole.
