

OBITUARY

JAMES BRADY

James Brady of Chicago, and a native of this district, died May 22, in St. Joseph's Hospital, London, following an operation.

Mr. Brady was visiting his brother, Right Rev. Mgr. Brady of St. Mary's Church, London, and was fast regaining his health after a recent illness, when he was suddenly stricken Monday night. His recovery, however, was expected until a day or so before he died when he took a turn for the worse. Mr. Brady was in his seventy-first year. Up to his retirement several years ago, Mr. Brady was prominently connected with mining enterprises in the Middle Western States, and especially at Cripple Creek, Colorado. Later his inventive powers took him into the manufacturing field, and for some years he was associated with a brother in the steam turbine industry in Chicago.

The funeral was held from the Funeral Home of E. C. Killingsworth to St. Mary's Church, where Solemn Requiem High Mass was sung by Mgr. M. J. Brady, brother of the deceased. Father Brennan acted as deacon, and Father Chisholm sub-deacon.

The Right Rev. Bishop Fallon the Right Rev. Mgr. O'Connor, V. G., the Right Rev. Mgr. McKeon, the staffs of St. Peter's Seminary and School of Philosophy, as well as a large number of other priests of the diocese testified for their presence the esteem for the deceased and their sympathy with his family. Interment was made at the Holy Angels Cemetery, St. Thomas.

Mr. Brady leaves one daughter, Marie K., of Chicago, and two brothers, J. F. of Kansas City, Missouri, and the Right Rev. Mgr. Brady of London.

THREE THOUSAND PRIESTS NINE HUNDRED NATIVES IN CHINA

Dublin, May 5.—Sir Joseph Glynn, president of the Council of the St. Vincent de Paul Society in Ireland, has appealed to Irish students to organize a missionary effort to follow the example set by students in America during the War. He made this appeal at a public demonstration at which missionary life in China was described by the Rev. D. Nugent, C. M. of Ningpo, China. In the course of his address, Father Nugent said that a considerable advance in the conversion of the natives had been made. There now are 2,000,000 Christians in the 56 dioceses of China, ministered to by 3,000 priests of whom 900 are natives. The Sisters of Charity of St. Vincent de Paul, who arrived in China eighty years ago, have been followed by missionary nuns of other congregations, all of whom are doing noble work for the spiritual and temporal welfare of the natives, said this well informed Chinese missionary.

SILVER JUBILEE OF REV. S. J. McDONALD, O. C. C., NIAGARA FALLS, ONT.

On Monday, May 26th, Rev. Father McDonald, pastor of St. Patrick's celebrated his Silver Jubilee, the twenty-fifth anniversary of his ordination. Solemn High Mass was sung on Sunday, May 25th. On Monday morning after Mass the children of St. Patrick's school presented him with a purse and an address.

In the evening a banquet was given by the ladies of the parish in the dining hall of Mount Carmel College. There were a number of clergy present from the adjoining

parishes to congratulate the Jubilarian and to extend to him kind wishes for a long and happy life in the field of his labors. Speeches were given by the Right Rev. Monsignor Morris of St. Catharines and Fathers Rosa, Garcia, Davis, Mogan and others.

Following the banquet the guest of honor and clergy adjourned to the Knights of Columbus Hall where a reception was held largely attended by parishioners and friends.

The many testimonials of faith, confidence and appreciation of their pastor, who has been connected with the parish less than two years, did not fail to touch the stout heart of Father McDonald who replied faintly for the unexpected reception and celebration of an anniversary he supposed no one knew anything about but himself.

LOCATED IN LONDON

LOCAL CAPITAL INTERESTED —WILL EMPLOY THIRTY TO FORTY MEN

The Caloric Furnace Co. Ltd., successors to the Monitor Stove Co. Ltd., will manufacture Caloric pipeless and Monitor pipe furnaces. Production of the Caloric pipeless furnaces and the Monitor pipe furnaces will start on Monday by the Caloric Furnace Manufacturing Company, a new addition to the industries of London, the factory of which is located at 691 Bathurst Street, on the premises of the Matherly Foundry, while the general offices are situated at 366 Hamilton Road.

A charter has been issued to the firm, which is capitalized at \$70,000. W. J. Shibley, who severed his connections with the Monitor Stove Company after ten years' service, has been named president and general sales manager; William Malough, factory and assembly manager, and James Bull, secretary-treasurer. Several other local men are interested in the firm.

Mr. Fraser Morris who has had years of experience with the Monitor Stove Co. in their sheet metal department will have charge of the same department here.

The firm has purchased the patents and goodwill of the Canadian interests of the Monitor Stove Company, whose factory was located at St. George, and the business offices at Toronto.

Twenty-five men will be employed by the firm and it is expected that an annual output of 2,000 furnaces will be made.

The plant on Bathurst Street will be remodeled internally, while an addition to the building will be made, commencing next week.

CATHOLIC CHARITY A MILLION A YEAR

St. Louis, Mo., May 16.—The thirteenth annual report of the Catholic Charities of St. Louis for the

year ending January 1, 1924, has just been issued, and was distributed at the meeting of the Catholic Charities Conference, held on Sunday last. The report shows a total outlay for charity here of \$941,030.87, inclusive of the estimated salaries of 287 religious, which are figured at \$170,400.00. The aggregate includes aid extended to the poor by fourteen of the institutions submitting reports to the Central Bureau, treatment of individuals in free dispensaries and individuals aided by institutions and organizations, the cost of which amounted to \$69,594.00.

I say, then, that we must die in order that God may live in us, for it is impossible to acquire union with God by any other means than mortification. These words, "we must die," are hard, but they are followed by a great sweetness, and this sweetness is union with God.—St. Francis de Sales.

The Ten Commandments are, and ever will be, the backbone of true civilization.

Great evenness of temper, continual gentleness and suavity of heart, are more rare than perfect chastity, yet very desirable.

In Palestine they say: "Who is first silent in a quarrel springs from a good family."

There are natures which blossom and ripen amidst trials, which would only wither and decay in an atmosphere of ease and comfort.
