Over a Million Canadians Enjoy These Recipes

THIS book is a source of baking inspiration to over 300,000 ambitious housewives, and helps them to prepare delightful things for their 1,500,000 family folks.

The Cream of 20,000 Recipes to Help You

¶ We obtained the favourite recipes of more than 2,000 successful Canadian home bakers, added to them the best suggestions we could find in our vast experience and turned them over to critical examination and actual test.

¶ Our cooking experts studied them. For months they baked, boiled, stewed and fried breads, cakes, puddings, pies, doughnuts, pancakes, muffins, biscuits, etc., and they approved only the very best recipes out of the thousands submitted.

¶ The result is a 144-page book that offers a liberal education in the art of good cooking. It is printed in large, easy-to-read type, is illustrated with many pictures, and is securely bound to resist long wear in the kitchen.

¶ Six editions have been printed. More than 300,000 women have written us for copies—most of them at the urgent suggestion of friends and neighbors.
