The North West.—From a communication lately, received from Mr. Alex. Long, who has settled in the vicinity of Salisbury, N. W. T., we learn that there has been very little snow in that remote section as yet this winter. Wagons are running as usual. The sum is clear and bright nearly every day, with hard frosts at night. He says that he never before the strength of less than eighty boys, for which he receives from the Government Store, month, while the Protestant chaplain has more than 150 boys to look after, and only receives \$33.33 for the same period. The Messenger also asserts that since Mr. Kelly's resignation there has been a steady weeding out of Conservative officials, among them a Roman district yielded about 18 or 20 bushels per acre; oats about 50 bushels per acre;

C. M. CHURCH ENTERTAINMENT.—The congregation of the Canada Methodist church perpetuated their course of liberal doings recently reported in this paper in the entertainment in the Osborne hall on Thursday evening the 23rd inst. Mr. Rothwell was called to the chair, and presided, as our respect ed townsman ever does, with acceptance and efficiency. Readings and rectations were given by Messrs. Hamilton and McCallum and Misses Britton and De B-Ill and Wilson. The musical part under the ordering of Mr. and Mrs. Sarvis, was rendered in first-class style. At the close, the quilt, which has employed the industry of fair fingers for the last few weeks, was put up at auction by Mr. Sarvis and sold to Mr. Hunt of London, the net gain amounting to eighty-five dollars.

SCHOOL TRUSTER ELECTION.— The nomination of candidates for the office of Public School Trustee was held in accordance with Statute on Wednesday last. The members of the Board whose term of office has expired were Messrs. A. Little, J. P. Newman and J. E. Terhune. Mr. Little, after having occupied a position on the Board for a number of vears, during which time he has been a laithful and efficient trustee, has decided to retire, and M. E. B. Sutherland has been elected by acclamation to fill hiplace as trustee for the West Ward. Mr. Sutherland has hitherto taken some interest in educational matters, and to doubt he will make an efficient trustee. In the Centre and East Wards Messrs. Newman and Terhune were re elected without opposition. Very little interest was manifested in the election.

Christmas.—This day of rejoicing was observed in Listowel as a holiday. Special service was held in Christ Church at 11 a. m., the church being tastefully decorated with festoons of evergreens for the occasion. An excellent and appropriate sermon was preached by the incumbent, Rev. H. Bartlett, who at the close of the service received a very liberal Christmas offering from his parishioners. The mirthful aspect of Christmas was perhaps more heartily indulged in this year than on any former season, the means available for enjoyment being greater, and the will to take advantage of them never before having asserted itself so strongly, if the unprecedented sales of Christmas presents can be taken as a safe criterion. The excellent sleighing, and the new skating rink, were also important factors in making the Christmas of 1880 an unusually merry one to many of our townspeeple.
