OVER LAPPING

Members of Different Relief Associations Held Meeting.

Foreigners Crowd the Hospitals and Don't Pay.

As a result of a conference last last night with Mayor Hartman and Relief Officer Eddy, in the former's office at the city hall, Mr. Eddy will likely receive the co-operation of the eight shop relief associations of the city in his efforts to check the relief work at the hospital. Four relief associations were represented last night.

Those Present

Those present were: Mayor Hart-Eddy, Mr. J. R. Harmer, representing the Massey-Harris Co., Mr. R. D. Hall., representing the Watson gett, representing Goold, Shapley & Mnir, and Mr. Charles Carter, representing the Verity Plow Co.

This often proves a very difficult task. The result is the city is required to pay the amount that is not collected. The shop relief associations will assist by notifying Mr Eddy that a certain man in the employ of the company has entered the deal intelligently with the case. The Discussion

Harmer, that while visiting the hoswere paying little or nothing, some the same. while Canadians were being kept out of the institution. It was thought at the meeting that doctors rather than treat foreigners at their home, might send them to the hospital. The suggestion was made that they might sit on the verandah at their homes and have their sprained foot or other

minor injuries attended to. It was pointed out that it is not so much the citizens who are har l to collect from, but the floating man, who presided, Relief Officer population.
