J. B. Hawkes, ex-M.L.A., of Balgonie, has expressed his intention of supporting W. M. Martin in the present federal campaign.

The C.N.R. has leased an office in the city to be used as a telegraph office. They will be open for business after the 15th of this month.

Col. Steele, acting D.O.C. for military district No. 10, is in the city today. During his stay here he is a guest of Mr. and Mrs. C. E. D. Wood.

Police Magistrate Trant of this city is stumping the constituency in the interests of the Liberal candidate. No doubt the Scott government will ask for his resignation at once.

Gordon, Ironsides & Pares, the cattle and meat firm, will open a branch here this fall. The firm has secured a site in Block 200 from the city and will erect a large warehouse immediately.

Mrs. Kennedy of Braeside, Dixie, announces the engagement of her daughter, Harriett, to Percival H. Gordon, of Regina, Sask., the marriage to take place very quietly on Oct. 7th.—Toronto Star.

The remains of Chas. Livingstone were interred in Regina on Sunday afternoon. Livingstone, whose father and brother resided here, was killed while working on the G.T.P. construction east of Winnipeg.

The annual harvest thanksgiving services were held in St. Paul's church last Sunday. The church was very appropriately decorated and two splendid sermons were delivered by Rev. G. C. Hill. The special music was splendidly rendered.

The withdrawal of J. K. McInnis from the campaign has somewhat upset the plans of the Liberal organizers in this constituency. They had a good deal of literature ready to send out in condemnation of Mr. McInnis. It was proposed to send this out about two weeks before the election.

The city has about completed the work on the swimming basin at Wascana Lake. The basin will be about 200 ft. by 100 ft. The bottom of the basin for the greater part is made of concrete and the balance is gravel. The basin will be bounded by posts connected with ropes. The water will be of different depths.

A one-armed man named Clarke, was sentenced on Thursday to four years in the penitentiary for having stolen a gold watch and chain from the McAra residence above the court house. Clarke has only one hand and sold pencils for a living. While canvassing the city he visited the court house and went upstairs and took the valuables from Miss McAra's room.

Rev. Father Vaughan delivered an interesting lecture in Knox church on Monday evening under the auspices of the Knox Church Brotherhood. As a Shakespearian lecturer, his equal has

not appeared in Regina and the audience were abundantly repaid for their attendance. After the lecture the local Council of the Knights of Columbus entertained the reverend gentleman at a supper at the King's Hotel.

G. Ens, M.L.A., from Rosthern is stumping in this constituency. Judging from other speeches which he has made in Regina, a fair translation of his speech would read as follows: "Mine friends, I'm here to tell you that I believe in Sir Wilfrid Laurier. I am also here to tell you that I agree with Premier Scott that you should vote for Martin." The only speech this orator ever made in the legislative assembly, reads: "Mr. Speaker, I am just here to agree to whatever the premier says."

The arrest and conviction at Moose Jaw on Thursday of Joseph Conway for horse stealing, the arrest of Kid Royals and Josh Birch in Montana and the sentencing of a fourth named Hofferson to the N.D. penitentiary breaks up a bad gang of horse rustlers who have been operating in southern Saskatchewan and states adjoining to the south for some time. These were the leaders, Convery admitted working with a gang which stole a number of horses in the ranch country near the boundary south of Moose Jaw, but claimed that he was forced by the gang to be with it. Kid Royals was a notorious outlaw and was shot by a sheriff in Montana recently.

A Yellow Grass gentleman and a dusky maiden were principals in a police court escape this week. The man was in love with the maiden and came up prepared for the services of the minister. Upon promises of her consent to marriage he had presented her with a watch and money. Receiving this she was preparing to decamp when the police stepped in and gathered her to the civic pile where she was charged with receiving money under false pretences. The man and maid met again and again, his heart was touched and he was prepared to complete the ceremony. The police didn't agree and after getting the man his valuable gifts proceeded to have the woman account for her previous behavior. This was done but evidently she got off free, and the faithful man is to marry the faithless lass.
