COLD.—Sunday night was the coldest
of the season and tended to remind
one of winter. There was a very
severe frost, and we are told that po-
tatoes froze in the ground in some local-
ities. The weather has changed great-
ly since then and yesterday was quite
like summer.

We understand that Acadia Lodge,
I. O. G. T., is making arrangements to
secure a lecture from Lou J. Beau-
champ, the celebrated temperance lec-
turer, sometimes called "the Gothe of
the West," at an early date. M.
Beauchamp is now lecturing through-
out the Province, and is spoken very highly
of as an orator. We hope Acadia
Lodge will be successful.

Now is the time to get your pictures

Messrs Chute & Son having comple-
ted their contract of moving the Pres-
byterian church, left on Saturday.
They deserve great credit for the very
creditable manner in which the work
was performed, having taken the church
from a very dangerous place and moved
it over rough land without injury to the
building. They undoubtedly fully
understand their business.

should not be missed to buy goods at a

A BRAVE DEED.—What came near
being a sad drowning accident occurred
on Wednesday. Some of the small
boys were fishing off the railway shoo,
when Richard Farrell, aged about
seven years, tumbled in and would
have been drowned had not his brother
Willie, aged 12, promptly jumped in
and rescued him, at the risk of his own
life. This act of bravery in such a
young boy is something remarkable
and should be recognized in a suitable
manner.

A correspondent to the *Bridgetown
Monitor* says: "Mr Jonathan Wood-
bury, of Middleton, is probably the
oldest Free Mason in the Province,
having been made in the first lodge
formed in Annapolis in 1818, sixty
seven years ago. Although in his
ninety-third year, he is still hale and
hearty, taking a walk to the Post Office
every fine day. It is enjoyable to get
him talking of the changes that have
taken place in the valley since he can
remember, and it sounds funny to hear
of our grandfathers carrying our bread
miles through the woods to the only
available oven to get it baked."
