WEDNESDAY JANUARY 10 1906.

Matters Municipal.

There are several points in connection with the inner workings of our Town Council which deserve more than a passing notice and to which the electors will do well to give their attention during the coming year. We do not expect to convert the Mayor and Council to our way of thinking but that is quite immaterial. It is our bustness (though a councillor once told us it was not), to hold a watching brief, as the lawyers say, on be-Sabbath School and Bible Class 3 p.m.

and there is sure to be a day o

Well, so much of a general nature. Now let us examine one action of our new Town Council at their first meeting last Tuesday ght. When the appointment of ple of Serapis he directed the shaughmotion was made to reappoint the present holder. The members of unpardonable insolence.—London Anlicence inspector came un the police committee defeated the motion with the aid of the Mayor's casting vote and then carried a motion referring the matter to themselves for further consideration. Now, this may have been a co-incidence, an accident, anything of that kind, but the attention of The Times has been drawn to this by several prominent ratepayers who veiw it with great disfavor, even with suspicion, and we hope those members of the Council, who have a proper regard for their reputations, will take care to acom all matters so that they may be bove suspicion.

Chamberlain's Appeal.

Mr. Joseph Chamberlain has saued his election manifesto to British people. After vigor oasly attacking the new govern. ent, which he describes as being ssentially a "Home-Rule Little Englander Government" depending for its existence on the Irish votes, he devotes himself entirely to an exposition of his fiscal pole y especially on colonial preference, which he speaks of as the first item in the constructive programme of the Unionist party, the second item, closely connected with the centre too much power in the first, being the policy of retaliation. hands of the Mayor and the evi He is right when he declares that dent desire of the Mayor to assume the colonies will not wait indefintoo much control. It will be itely, but will be forced to enter noticed on reference to the report into arrangements with strangers. of the first meeting of the Council He points out that the scheme of of 1906, that not only were the colonial preference will include a various committees appointed by provision for a small exchange cn the Mayor, but he went so far as foreign wheat but he says that

the Council that the man who happens to be chairman for the yearshould arrogate to himself the there may be some difference of
