North Esk. ....

Died.

To the Editor of the Union Advocate. Again :- " The charming gayety and SIR .- In your issue of 25th Dec. there frankness of the Irish ladies have been appeared some notes from this settlement noted and admired by every foreigner signed "North Esk." We all know who who has had the good fortune to mingle

North E-k is and he is always meddling in their society ; and I hope it is not demedy for Catarrh are sold by E. Lee with something or someone, as to mind tracting from the merit of the upper his own business seems to be an utter classes to say that the lower are not a impossibility. My first impression on whit ss pleasing. I never saw in any

reading his nonsense was to take no no country such a general grace of manner tice of it (hence my delay in replying to and lady hood. In the midst of their him); but as he made a statement in re- gayety too, it must be remembered that ference to persons outside of the settle-Dominion authorities with reference to sending him to the criminal insane asy-and this week there are reported several cases determined the several cases determined the several cases determined to be so fath on the water, yet mumber of cases were reported doncton, deem it my duty as a resident of the several cases determined to be so fath on the water, yet mumber of cases were reported doncton, deem it my duty as a resident of the ageneral purity. In regard of the Inm at Kingston and will probably make in this vicinity. The attack is sudden but if known his decision as soon as he re-

a sample of Free Grants Commissioner is excel the English ladies not only in wit a sample of Free Grants Commission of a at present without any, this I readily ad-mt to be true. I am quite willing to give him credit for all the truth that is at the Waverley Ho'cl, Newcastle, from in hum and when "North Esk" receives comparably handsomer; and if ever this the appointment which he is wasting so book reaches a thirtieth edition, and I much breath and winding his vocabulary can find out better words to express adso often trying to obtain, we will have miration, they shall be inserted." (Page still another sample. He does say ! 317.) parties from a distance are here culling

Again ;-"I have said something in praise of the manners of the Cork ladies :in regard of the gentlemen, a stranger too must remark the extraordinary degree of literary taste and talent amongst them, and the wit and vivacity of their trespassing n=vacant Free Grants lots

conversation. The love for literature seems to an Englishman doubly curious. What, generally speaking, do a company of grave gentlemen and ladies in Baker street (London, England) know about it ? Who ever reads books in the City, or how often does one hear them talke I about at the club?" (Reference to England)

MY DEAR SIR .- Your invidious com- "The Cork citizens are the most book . parisons as to the moral and intellectual loving men I ever met.
