To the Electors of the Second District of Queen's County.

GENTLEMEN,

AT a late hour I am induced to come forward to solicit the honor of representing you in the new House of Assembly. Were I to consult my own personal feelings and wishes, I would forbear to do so, but the pressing solicitations which I have received from my old friends and supporters from every quarter of the District, prompt me to obey the call of duty.

Although I now temporarily hold the office of Solicitor General, I do so more as a professional duty than otherwise; and I can assure you, Gentlemen, that my political opinions and sentiments are unchanged—that the tenure of that office shall never interfere in any manner to deter me from a faithful and conscientious discharge of the duty which I owe my country; and should the holding of the office become at any moment incompatible with my trust as your Representative, I will instantly resign it.

I come before you resting upon my own individual character as a free man unconnected with all party influences, and desirous of promoting the interests of my native country. I feel assured that the system of Government, as at present in force in this Colony, has not met your expectations, and am clearly of opinion that to prevent undue influence, and to render it more acceptable to the public at large, the principle established in Canada, by which all officers connected with the Receipt and Collection of the Public Moneys are excluded from the Legislature, should be extended to this Island. I am also in favour of Reciprocal Free Trade with the United States, as I feel persuaded, that no measure is so well calculated to benefit our Farmers and open up the resources of the country. These are only a few of the objects which should receive the earnest attention of the new House; and upon the character of that House, in my opinion, will depend the future prosperity of the country, or otherwise.

If you should deem me worthy of your choice as a Representative, I trust my experience in a former House of Assembly will enable me the more efficiently to discharge my duty towards you. I remain, Gentlemen, Yours, very faithfully.

JOHN LONGWORTH.

Charlottetown, June 20, 1853.

To the Electors of Charlottetown and Royalty.

AS A GENERAL ELECTION for Members to serve in Colonial Parliament will shortly take place, I am again induced to offer myself as a Candidate for the Representation of this my native Town. I have to rest my claims for a renewal of your suffrages on a review of my conduct in the House of Assembly, as your Representative, for the past fourteen years; and if it has, proved to be such as to warrant a continuance of your confidence, you may rest assured that I shall pursue the same line of Policy and Principles as heretofore.

This, I think I may be permitted to say, with your accordance, that during the period I have had the honor of representing you in the Assembly, I never gave my support to *visionary* measures for the purpose of obtaining ephemeral or undue popularity, nor voted against the interests of my Constituents for the consideration of *Office or Emolument*.

I have the honor to be, Gentlemen,

With much respect,

Your Obliged and Obdt. Servt.,

FRANCIS LONGWORTH.

Charlottetown, June 10, 1853.

To the Electors of Georgetown and Royalty,

GENTLEMEN,—

ENCOURAGED by the cordial promise of support which I have received from many of you, I now offer myself as a Candidate for your suffrages at the approaching General Election.

Although I hold the office of Attorney General, I am unable to perceive why that should render me incompetent to represent you fearlessly and independently; on the contrary, if returned by you, it is my determination to do so on all occasions; and whilst I shall be prepared to advocate all sound liberal measures, calculated to benefit the country generally, I shall feel it to be an especial duty to use any legitimate influence which my position may afford me, to advance the local interests of Georgetown and Royalty.

I have the honor to be, Gentlemen,

Your obedient servant,

JOSEPH HENSLEY.

June 16th, 1853.

To the Electors of the First District of Queen's County.

GENTLEMEN;

SINCE accepting your invitation to come forward as a Candidate for your suffrages, I have visited a considerable part of the District, and I feel thankful for the kind manner in which I have been received, and for the very general promises of support tendered me. At the time I commenced my canvass, I knew not what New London intended doing, whether they would nominate a Candidate for that end of the District or not, so that I had to canvass for myself alone. They have now a man in the field—Mr. John McLeod—the New London people having engaged to support me, with the understanding that my friends would support Mr. McLeod. I am aware that a few of my friends have promised to vote for Mr. Coles, as well as myself; to those I would say keep your promises, and vote as you have engaged; but believing, as I do, that a large number of my supporters at this end of the District have not as yet promised their second vote, but have expressed their determination not to support Mr. Coles, I now solicit them to give it to the New London Candidate, and on no account to give me a plumper, but divide with Mr. McLeod. Our prospects are good; and as no one blames Mr. Coles for *trying* to get Mr. Laird supported, let no one blame me for doing what I can for Mr. McLeod. It is nothing but right that the other end of the District should have its Representative. We pledge ourselves to take no public Office, and to keep the Assembly as free from Office-holders as possible, and so purify Responsible Government. If eight or ten members of the Assembly get offices, it will be as great a compact as that of which we have lately got clear of. Let us stand by each other, and the victory is ours.

Your Obedt. Servt.

GEORGE BEER, jur.

Charlottetown, June 25, 1853.

To the Electors of the Second Electoral District of Prince County.

GENTLEMEN;

I AM induced, from the repeated solicitations of many of the most respectable influential Electors amongst you, to offer myself as a Candidate for your Suffrages at the approaching Election.

My object in thus making my intentions public through this medium is, because I have hitherto declined, when requested by many of you, to offer myself.

I may be permitted to say, that I believe I am individually acquainted with you all, and am satisfied that you are aware that it is not from any selfish or pecuniary motive that induces me to come forward.

As a native of the Colony, and one whose interests are inseperably connected with your own, it would be my highest aim to advance its best interest and prosperity. And, be assured Gentlemen, should you honor me with your confidence, nothing I trust on my part shall be wanting to advance the true interest of the Colony, and this my native district particularly.

I am, Gentlemen, truly yours,

JAMES CAMPBELL.

The "HORTICULTURIST," And Journal of Rural Art and Rural Taste.

THE Subscriber, who has long been connected with Mr. BARRY, as one of the editors of the *Genesee Farmer*, has purchased the *Horticulturist*, so ably conducted by A. J. DOWLING, and after the conclusion of the present volume, it will be Published at ROCHESTER, and Edited by P. BARRY, assisted by many of the best Horticulturists of the country, whose communications will materially add to its value. The ARCHITECTURAL DEPARTMENT will be conducted by gentlemen of ability and reputation.

To render the work accessible to a greater number, and consequently more beneficial, the price will be reduced to TWO DOLLARS per year, *in advance*, and at the same time various improvements made. Each number will contain a full page engraving of some new, rare, and valuable fruit or flower, drawn from nature, and engraved in a style not excelled.

Still further to add to the value of the work, and meet the improving taste and increasing wants of the horticultural community, we shall also publish an edition with COLORED PLATES, each number containing a full page engraving of some new, rare, and valuable fruit or flower, correctly colored from nature, by the best living artists in this line. This will be a new and important feature, in this country, and must command the attention and patronage of both professional and amateur Horticulturists. As the number of colored plates we can furnish will be limited, from the care and time required in their preparation, those who wish the *Colored Edition of the Horticulturist* for 1853, will do well to order immediately. Price with colored plates, FOUR DOLLARS, *in advance*.

All who cultivate fruit or flowers, should read the *Horticulturist*, as it is devoted entirely to Horticulture, and its kindred arts, Landscape Gardening and Rural Architecture, and will keep its readers advised of everything new on the subject, either in Europe or America.

It will be our aim not only to make the *Horticulturist* superior both in style and matter to any work of the character in this country, but equal to any of the Horticultural Journals of Europe; and we confidently ask the aid and co-operation of the Horticulturists of the country. The work is published monthly, and contains forty-eight large pages, without advertisements, stitched in a beautiful and appropriate cover.

GENTLEMEN,—

I SOLICIT the honor of representing you in the new House of Assembly about to be chosen.

Should you again invest me with that office—one which different circumstances now render of more importance to you than at any former period of the many times I have been entrusted with it—I shall endeavour to discharge its duties with that zeal, intrepidity and self-disinterestedness which should ever distinguish a Representative of the people.

I am, Gentlemen, your humble servant,

EDWARD PALMER.

Leonard Scott & Cos.' LIST OF British Periodical Publications.

FORWARDED by mail, under the provisions of the late Post Office Law, at merely nominal rates.

1. *The London Quarterly Review* (*Conservative*).
2. *The Edinburgh Review* (*Whig*).
3. *The North British Review* (*Free Church*).
4. *The Westminster Review* (*Liberal*).
5. *Blackwood's Edinburgh Magazine* (*Tory*).

These Reprints have been in successful operation in this country for *twenty years*, and their circulation is constantly on the increase, notwithstanding the competition they encounter from American periodicals of a similar class, and from the numerous *Eclectics* and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their *literary* character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. *Blackwood*, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns, both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by Messrs. Scott and Co., so that Subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.
