## Tonic For the Nerves

The Only Real Nerve Tonic is a Good Supply of Rich, Red Blood.

"If people would only attend to their blood, instead of worrying themselves ill," said an eminent physician, "we doctors would see our consulting rooms crowded with nervous wrecks. More people suffer from worry than anything else."

The sort of thing which the specialist spoke of is the nervous run-down condition caused by overwork and the many anxieties of today. Sufferers find themselves tired, morose, nervous and unable to keep their minds to anything. Any sudden shock hurts like a blow. They are all of nervous energy and do not sleep well at night. Headaches, neuritis and other nerve pains are part of the picture, and it all comes from a tired nerve.

Doctors say the nerves with poison-ous sedatives is a terrible mistake.

The only real nerve tonic is a good supply of rich, red blood. Therefore to cure nervousness and run-down health, Dr. Williams' Pink Pills should be taken. These pills actually make new, rich blood, which strengthens the nerves, improves the appetite, gives new strength and spirits, and makes hitherto despondent people bright and cheerful. If you are at all out of sorts, you should begin curing yourself today by taking Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine, or by mail at \$1.00 a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## TO ASSUME CONTROL OF IMPERIAL PENSIONS

Ottawa, Jan. 22.—The administration of the pensions of ex-members of the Imperial Forces resident in Canada has been transferred to the jurisdiction of the Board of Pension Commissioners for Canada. Authority for this change is contained in an order-in-council which was passed on January 14th and made retroactive to January 1.

## AT THE TOP IN PIANO BUILDING

Ye Olde Firm of Heintzman & Co., Limited, 68 St. Paul street, St. Catharines, are within very few steps today of having been in business as piano manufacturers for three-quarters of a century. Their start in business was in 1850. During all these years they have kept in the leadership, because determined to build only a piano that would appeal to the most artistic musical taste—and a piano that was made to last. Among their series of Art Uprights is the Ionic, which is a very beautiful piano, and suited for the moderate sized parlor or apartment house.

# Religion Is Patriotism

It is the Root of Personal Righteousness, the Mainstay of Social Order, the Bulwark of International Peace

## The Makers of Canada

The earliest settlers in Canada were roused by the Call of the Church to develop a noble and useful citizenship. Young and old were invited to turn their eyes from material things, and to regard the splendor of unseen realities. Knowing that Religion is the only true safeguard of stability in the State, they built Churches, Schools and Colleges, to train men for the Christian Ministry, and to spread abroad in the land the benefits of education. This they did in their poverty, and thus directed the course of history in Canada to this day.

## The Testing of Canada

Because of such sacrifices, there arose in Canada a public spirit hostile towards all injustice, dishonesty and cruelty. The War tested the moral fibre of the Canadians of a later day. Would they choose material ease and wealth, or would they risk all in defence of freedom and the rights of the weak?

Over 400,000 men voluntarily offered their lives, and endured hardship as good soldiers for the defence of equity and fair dealing in all human relationships, and for the vindication of public right. Nor were the people at home less steadfast. Besides bearing the national cost of the War, they gave voluntarily for the help of the soldiers more than \$90,000,000. Canada nobly stood the great trial.

## The Menace of To-day

That conflict is ended. Now comes another test. Not only in Canada, but all over the world, sectional and class struggles for material rewards and for mastery threaten the present basis of Society. The vision of spiritual values gained in the War is in peril of being forgotten. The supremacy of sacrifice, the nobility of service, the reality and glory of the Unseen and Eternal, the promises of Christ; these were the things by which we lived during the War. Now there is great danger that they may fade from view, giving place to selfishness and the love of ease.

The great non-Christian peoples of the world comprise two-thirds of the human race. They are mastering our modern scientific knowledge, and if they remain Pagan may yet turn it to our destruction. Paganism stands for the supremacy of Might, the very ideal

we fought and conquered in more than four years of war.

## Victory only through Christ

How can we retain the heavenly vision? How can the world be guarded against another attempt to establish the Pagan ideal? Only through the Church of Jesus Christ. There is no other agency or society that has any possibility or hope of bringing about a full

## The World's Need is Spiritual

I speak as one standing upon the watch-tower, and know what the need of the land is. It is not material, it is spiritual. Get the spiritual, and the material will follow. The wounds of the world are bleeding, and material things will never heal them. And that is why I hail any movement which brings the great spirit of brotherhood. The one need of England and France today is the healing and the brotherhood of the Cross of Christ.

—Rt. Hon. David Lloyd-George, Before the Brotherhood Convention, London, September, 1919.

## Fight the Good Fight

realization of the brotherhood of all mankind, and the reign of the Prince of Peace.

## What the Church Has Done

All the progress of humanity in Civilization for the last 2000 years has been inspired, directly or indirectly, by the Gospel of Jesus Christ. It has ended slavery, protected life, ennobled women, educated the children and safeguarded their lives, sanctified the home, established schools, missions and charities.

## The Coming Era

Victory places upon the shoulders of the Allied Nations the responsibility, for directing new conditions to right ends. Canada must do her share.

The Church must prepare to meet the needs of the new day. Old standards of life with old habits of thinking and of giving will be wholly inadequate. We must do in our day what our fathers did in theirs. The hope of the world is bound up with the strengthening and extension of the Church of Jesus Christ.

## The Forward Movements

FIVE Christian Communions, Anglican, Baptist, Congregational, Methodist, and Presbyterian, are convinced that the time has come to rouse all Christians to a clearer understanding of their calling and stewardship in Christ, their King. They believe that the Church should be equipped adequately with men and money to enable it to meet the needs and opportunities of the New Day.

These five separate Communions are of one mind as to their be-

lief in God, the Father Almighty, Maker of Heaven and Earth, and in Jesus Christ, His Son, Our Lord. They now

declare to their respective constituencies, and also unitedly, to the Canadian people, that the only effective method of making good citizens is by urging men to a more faithful practice of Christianity, by inculcating personal faith in Jesus Christ.

EACH of the Communions named is in the midst of a Forward Movement. Each is seeking by prayer and by earnest effort to accept all its responsibilities. Each is striving to extend its activities in Canada and in Foreign Lands.

Your Church needs your help, but, far more, you need the help of your Church to learn the difficult art of living wisely and well.

Consult your Clergyman. He serves you and your children. Ask him how and when you can serve in this day of national emergency. Give yourself to the task. Say: "Here am I, send me."

They insist that there is no other dependable way of correcting evil tendencies in individual and national life. They call the people to repentance. To all Christians their message is, "Awake, Arise. Fight the Good Fight, For Canada and For the World."
