berland. Mr. Ws. McDonald, who was instrumental in saving Mr. Noonan and family recently, when their horse and sleigh broke through Bedeque ice, has been presented with a handsome purse by some of the Summerside people. The Journal says that this is the second occasion on which Mr. McDonald has been the means of saving life, the other being the case of Mr. McIntyre of Rustice, last summer.

To Mr. A. J. White. Merthy-Indian service method in the popular with my customers still very popular with my customers still very popular with my customers that level had saved the life of his wife, and he added, by some of the Summerside people. The Journal says that this is the second occasion on which Mr. McDonald has been the means of saving life, the other being the case of Mr. McIntyre of Rustice, last summer.

At the regular meeting of the Catholic Literary Umon, held last Friday evening, the subject, "Should the Classics be Montreal, P. Q. taught in the Common Schools," was ssed. Mr. John McSwain opened he debate with an able address, which evinced a comprehensive knowledge of the subject. He gave it as his opinion Estey's Iron & Quinine Tonic that in ungraded schools the time occupied in teaching the classics could be nore profitably spent. After several other gentlemen had given their opin cided in the negative.

Ox last Sunday, in St. Dunstan's Cathedral, Rev. Father Gallant announced that the Peter's Pence collecon would be taken up at the Cathedral on the second Sunday in February next. The Peter's Pence is a voluntary contribution made by the faithful, and collectfor the maintenance of the Sovereign did the Holy Father need the generou support of his spiritual children ands, deprived unjustly as he is of all emporal possessions, and relying irely on the charity of the faithful.

AFTER six days' detention in the ice Northern Light arrived at George wn last evening about seven o'clock, engers and mails arrived in the city by special train at eleven m. From a conversation had with gentleman who was on board of her, learn that they had no anticipation being released from their ice-lock so n. They had plenty provisions, and re warm and comfortable. Captain njayson received great praise for his stry and good judgment. Yester the Northern Light ploughed rn foremost through about eightee les of ice, nine inches thick.

A Source correspondent writing to the niner gives that paper an account of a struggle which two residents of the ropolis of the east recently had with bear. Noticing tracks in the woods, ey traced him to his den, and after a arp fight succeeded in killing him.
