

A Respectable Surplus

Toronto, Oct. 20.—President D. B. Hanna, of the Canadian National Railways, issued this statement today:

"It is a matter of extreme gratification to me to be able to announce to the Canadian people that during the month of August, this year, the gross revenues secured from the operation of the Intercolonial, Prince Edward Island, National Transcontinental, Grand Trunk Pacific, and Canadian Northern Railways exceeded the expenses by a substantial amount. This is the first monthly period since these railways have been operated by the Board that it has been possible to present such a favorable statement. While I do not wish to appear as unduly optimistic, I do believe that the economies effected as one result of consolidation are beginning to be reflected in operation, and that the day is not far distant when the National Railways will be an asset in which all Canadians may take pride.

"The month of August is one not specially busy, in that it marks the end of the crop year in the Canadian west, and as the grain does not begin to move until September, in large quantities, to the lake carriers and to the sea.

The figures for the month of August were:

Gross earnings—\$10,536,461.74.

Working expenses—\$10,489,230.30.

Net earnings—\$47,231.44.

"No one would venture to forecast the future with trade conditions as unsettled as they are today. It would, however, appear that the end of serious operating losses on the National Railways is appreciably near—nearer, in fact, than the most sanguine of us had hoped for. We are beginning to reap the fruits of the great and complicated work of consolidation, which was begun when the merging of the Canadian Northern and Canadian Government Lines was accomplished in 1918, and continued when the lines of the Grand Trunk Pacific Railway were turned over to the National for operation.

Steals \$750,000 Then Suicides

Miami, Fla., Oct. 23.—"The man of mystery" who committed suicide last Thursday night in a local hotel was identified tonight as Warren G. Spurgin, missing president of the Michigan Avenue Trust Company of Chicago, by W. F. Bennett, of Miami, former Chicago broker, and intimate friend of Spurgin.

Chicago, Oct. 23.—Warren G. Spurgin, president of the now defunct Michigan Avenue Trust Company, disappeared from Chicago on July 20 and a day later the bank was closed by state examiners. An audit of the books disclosed that the institution was insolvent, and it was charged by bank officials that Spurgin had taken more than \$750,000 in cash, with him when he disappeared. Bank examiners later estimated the total loss to the institution at \$750,000. Warrants charging embezzlement immediately came when more than \$10,000 worth of liquor was found in Spurgin's private office. Mrs. Spurgin tonight expressed doubt that the body at Miami was really that of her husband. She said she would not go to Miami at present.

Mr. Lyman was manager of the Lyman Tube and Supply Company, of Montreal. Mr. McNaughton is connected with the same company.

Look. Read. Realize.

We cater to the men's trade, and no other. If you were sick you wouldn't call to see a Tailor, or a Blacksmith, about the condition of your health. Of course not; you would call to see a Doctor.

If you wanted a Suit or an Overcoat would you go to see a Doctor, or a Shoemaker? Not at all. You would go to see a First Class Tailor.

WELL, there's where we shine!!!
We study the business. We know what suits a young man

we know what suits a middle-aged man, and we know what suits the old gentleman—both in goods and in style. It does not make any difference whether you want your clothes Ready-to-Wear, or Made-to-Order. We are equally in a position to suit you. We do not let a suit or overcoat leave our establishment until it suits and fits the man who is buying. Our prices are always right when you take the quality into consideration.

Do not forget that we are sole agents for the famous W. H. Leishman & Co., Wholesale Custom Tailors. We have an elegant stock of Overcoats to show you at the present time.

Overcoats, Made-to-Order—from... \$30.00 to \$48.00

Overcoats, Ready-to-Wear..... \$15.00 to \$36.00

Now the Prices you've been waiting for are here

The old year took away, for ever we hope, the old burden of war prices. For months conditions have been working toward the great climax that brought the remarkable merchandise that is here assembled for this our great 1st January Carnival of Economy.

The results came in two ways: 1st. The drastic lowering of prices on our own stocks, down to the new low basis, and often far below it—to double your interest in January buying in our store.

2nd. We have combed the markets—taking utmost advantage of the opportunities created by far sighted manufacturers who were ready to co-operate with us in presenting to you now the lowest prices that will be possible, for the next six months, at least.

We can just see the delight of our Customers when they see the splendid assortment of goods, in every department of our store, and then realize that prices are away down to the bottom, where it is a pleasure to buy things.

Many Manufacturers have ACCEPTED LARGE LOSSES. We shall forgo a large part of our profits on the new goods and accept large losses on our own mark-downs—to inaugurate this first New Year under the New Management and

THE MOST STIRKING PRICE-UPSET THAT THIS COMMUNITY HAS EVER KNOWN.

No matter what you need or desire, now is the best time for months to come to buy it. Some of the reasons are told on this page; but scores of others are here that can get no mention today, even in this broad space.
