When a great business house, of world-wide reputation for honesty, fair dealing and financial responsibility, feels warranted in attaching its certificate of guarantee to its goods, such action furnishes the best possible evidence that the products are believed to be just what they are represented to be.

Such confidence in the products of manufacturers and vendors naturally brings confidence in purchasers, and hence it is that there has grown to be, all over this great country, such an unprecedented demand for and such implicit confidence in that most popular, blood and lung remedy known as Dr. Pierce's Golden Medical Discovery, as no other medicine has ever before met with.

It is sold by druggists, under a positive guarantee from the manufacturer, that it will either benefit or cure in every case of disease for which it is recommended, or the money paid for it will be promptly refunded. It is manufactured by the World's Dispensary Medical Association, of Buffalo, N. Y., a well known and financially solid business corporation.

No other responsible manufacturers of medicines have put their remedies to such severe tests as to warrant them to give satisfaction, or refund the money paid for them. "Golden Medical Discovery" cures "liver complaint," or biliousness, indigestion and dyspepsia, all humors, dry blood taint, skin diseases, scrofulous sores and tumors and pulmonary consumption (which is only curable of the lungs) if taken in time and given a fair trial. Chronic catarrh in the head, bronchitis and throat diseases, are also cured by this wonderful blood-purifier and invigorating tonic.

Ely fever is a type of catarrh having peculiar symptoms. It is attended by an inflamed condition of the lining membranes of the nostrils, tear-ducts and throat, affecting the lungs. An acrid mucus is secreted, the discharge is accompanied with a burning sensation. There are severe spasms of sneezing, frequent attacks of headache, watery and inflamed eyes. Ely's Cream Balm is a remedy that can be depended upon. Sold at druggists; by mail, registered, 60c. Ely Brothers, Druggists, Oswego, N. Y.

There died recently, at Tiverton, a horse with a history. That horse was the great and only war-horse, Old Samson, an animal which has filled a larger space in the public eye than any other horse in Bruce county. Other Samsons have arisen but none to compare with the illustrious sire. When Samson first became notorious, he was owned by Mr. Lambert, of Ripley. He was then disposed of to Mr. Donald Clark, of Tiverton, and two years ago was purchased by Mr. Charles McFarlane, of the boundary. He never succeeded in killing anyone, not, however, through lack of endeavors. Many years ago he tackled his groom in an Underwood stable, and used him up badly with his teeth. A rope was let down from the loft, looped around his neck, several persons hauled on the rope, while others extracted the unfortunate groom. Prof. Bruah, a noted horse trainer, advertised to handle Samson in Tiverton and make him as gentle as a lamb. He succeeded admirably for a time, but while the spectators were praising the professor's skill, Old Samson, with one of those terrific roars, seized the professor, who was with difficulty rescued. Others, too, have had marvelous escapes from this fiery animal. But Old Samson is now no more. While in Mr. John Sheehan's stable he was tackled with acute inflammation of the bowels. Dr. Evans was sent for but no skill could save him. For several hours before he died he was in a comatose condition, as quiet as an ordinary horse, and nothing—not even the pleasure of grasping a human being in his teeth—could stir up the embers of his former fires.

Give Them A Chance.

That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them, that is take Rochee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

Rev J. T. Legear preached his farewell sermon in Ethel on Sunday of last week. Mr. Legear is a fearless and forcible expounder of the word of God and will be missed as a friend and minister. On Thursday he, Mr. Legear and son removed to Durham. We wish them abundant success.

A Big Success. For summer complaints and diarrhoea I can truly recommend Dr. Fowler's Extract of Wild Strawberry, as I have used it in my family with great success and would not be without it. John E. Evans, Grimsby, Ont. Never travel without it.

To Cure a Corn. There is no lack of so-called cures for the common ailment known as corns. The vegetable, animal, and mineral kingdoms have been ransacked for cures. It is a simple matter to remove corns without pain, for if you will go to any druggist or medicine dealer and buy a bottle of Putnam's Painless Corn Extractor and apply it as directed the thing is done. Get "Putnam's," and no other.

There were registered in McKillop for the last six months 30 births, 20 deaths and 6 marriages. The number of marriages seems to be out of fair proportion to the births and deaths. What are the young men of McKillop doing? They must brush up.

Orange-Ribbon Reflections.

The devil speaks for a man in a passion. Love may live an age if you do not marry it. Every woman is Eve in some hours of her life.

The fire of jealousy burns with very little fuel. On what strange solitudes every separate soul dwells. Many roads lead to Lappiness besides the one we take.

It takes two to tell a lie—one to speak and one to listen. A husband's name is a far bigger shield than a father's.

Truth can be outraged by silence quite as cruelly as by speech. To the spider the web is as large as to the whole wide sea.

Woman is never too angry to be without a mouthful of sweet words. When girls are old enough for a lover they are a match for any gray head.

A man that gets the woman he wants very seldom gets any other good thing. A daughter is a little white lamb in the household to teach men to be gentlemen.

A woman is not to be counted your own until you have her inside a wedding-ring.

Eventful days are the results which months, years, perchance centuries, have made possible.

Who is free? The man who masters his own self. Who is powerful? He who can control his passions.

The future does not come from before to meet us, but comes streaming up from behind, over our heads.

All these inconveniences are incident to love: reproaches, jealousies, quarrels, reconciliations, war, and then peace.

All pleasure must be bought at the price of pain. The true pay the price before you enjoy it; the false after they enjoy it.

As there are in creation invisible bonds that do not break like mortal bonds, so also there is correspondence subsisting between souls, despite the separation of distance.

More Trouble May be Expected. If you do not heed the warnings of nature and at once pay attention to the maintenance of your health, how often we see a person put off from day to day the purchase of a medicine which if procured at the outset of a disease would have remedied it almost immediately. Now if Johnston's Tonic Liver Pills had been taken when the first uneasiness made its appearance the illness would have been "nipped in the bud."

Johnston's Tonic Bitters and Liver Pills are second to the best medicine on the market for general tonic and invigorating properties. Pills 25c. per bottle. Bitters 50c. and \$1 per bottle, sold by Goode the druggist, Albion block, sole agent.

All Langdale has gone to Kemble, Grey county, having completed his term of apprenticeship with W T Hunter, of Brussels.

Consumption Surely Cured. To THE EDITOR—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy free to any of your readers who have consumption if they will send me their Express and P. O. address.

Respectfully, Dr. T. A. SLOCUM, 37 Yonge St., Toronto, Ont.

Feed onions, raw, boiled or baked, to the children, three or four times a week, and they'll grow up healthy and strong. No worms, no scarletina, no diphtheria, where children eat plenty of onions every day.

More Remarkable Still. Found at last, what the true public has been looking for these many years and that is a medicine which although but lately introduced, has made for itself a reputation second to none, the medicine is Johnston's Tonic Bitters which in conjunction with Johnston's Tonic Liver Pills has performed some most wonderful cures. Impure or impoverished blood soon becomes purified and enriched. Biliousness, indigestion, sick headache, liver complaint, languor, weakness, etc., soon disappear when treated by these excellent tonic medicines. For Sale by Goode, druggist, Albion block, Goderich, sole agent. [d]

The distressing paleness so often observed in young girls and women, is due in a great measure to a lack of the red corpuscles in the blood. To remedy this requires a medicine which produces these necessary little blood constituents, and the best yet discovered is Johnson's Tonic Bitters. Price 50 cents, and \$1 per bottle at Goode's drug store, Albion block, Goderich. Sole agent. [b]
