### A Few Remarks On Current Events.

Editor Evening Telegram. Dear Sir,-While the war is waging struggle which shall change the map of the universe, it seems that little

sleeve, and the Colony has to wait for the third to see the wonderful and his best. The \$1,000 Makinson readywatered salt fish "Cod" is now to be cooked, canned and exported to the are breaking their hearts to pay a what happened at Duponts explosion receive per green quintal. Our noble late lamented Buckley's goat passed his brief days of struggle and turmoil, is about to draw aside the clouds of Olympus and let fall into the bakepots and stewing kettles of our fisher-

scheme to manufacture nitrates for explosive and agricultural purposes and our noble Premier is going, as another Franklin, to draw from the very that with machinery he will convert machine by which he makes large into potatoes, oats and hay and event- money, a portion of these earnings

ually pork, poultry and mutton. Three thousand of our laboring men will receive employment at high wages in this work. There is a shortag of ammunition in England, France and Russia. He will have Newfoundland in Europe and thea ttention of the supply the pictic acid and nitrate in Europe and the attention of the that these nations will require. Each session beholds our untiring one with some fresh scheme, some new joke, Newfoundland is also going to do some gigans gadus for the amusement some wonderful things. Our Premier of the spectators who attend the Cir-

money that runs the show. Would it not be well to pause a litdexterous three-card manipulator at tle, and ask ourselves a few questions as to the manufacture of explosives. What are the risks run? Is the rate of pay commensurate with the greedy and impatient millions who risks? Let us try and remember price for it to our fishermen three works when they blow up on the N.Y. Sound? What happened at the ex-Premier from Barter's Hill, where the chester—the terrible tragedy at Creusots works in France, or some other suitable chemical compounds. There should be a clause go into the Bill that the life of every operative engaged in the works should be insured for at least \$1,000, the premiums to be paid by the Company. It is a principle of modern legislation recogworld-wide, that if an employee uses At the City Hall. sky that surrounds us the nitrogen a highly productive and dangerous

hall go or be set apart for the workngman. It is a bare selfish interest of the State to do so to prevent its workmen from becoming charges

Whie touching upon these matters nen are working three miles under the waters of Conception Bay. I do men in a tunnel in firing blasts blow out ore under a "faulty" roof, what is going to happen? ### 'Cascarets' Always Straighten You Up

Costive, Headachy, Bilious, Stomach Sour, Breath Bad-Clean your Liver and Bowels.

Get, a 10-cent box now. You men and women who can't get feeling right-who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothhas dropped two cards out of his cus, and like little men pay the gate ered with a sick, gassy, disordered stomach, or have backache and feel

worn out. Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep, cleanse the stomach, remove the sou; undigested, fermenting food and the fcul gasses; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret to-night will straighten you out by morning-a 10-cent box from any drug store will keep you. stomach sweet; liver and bowels regular, and head clear for months. Dont forget the children. They love Cascarets because they taste good-never gripe or sicken.

Morris and Anderson were present at est night's meeting of the Civic Com-

A petition from the Parishioners of Et. Mary's Church, Southside, asking for a plank sidewalk from Water St. tions with the Reid Nfld. Co. for the same are being made by the Board. T. H. O'Neil wrote calling the at-T. H. O'Neil wrote calling the attention of the condition of the lane Sunday Services next his premises. Mr. Harris also wished to call the attention of the Cathedral of St. John the B Board to the lane east of the Tele-gram office. Both matters will re-m.; also on the first Sunday of the gram office. Both matters will receive the attention of the Engineer.

Patrick J. Casey made application for 6 feet of land at the junction of Power and Hamilton Streets for which he offered to pay the sum of \$180.00. The offer will be accepted. \$180.00. The offer will be accepted.
Residents of the north side of Quidi
Vidi Lake petitioned for water and
Sewerage. The Engineer will report
