Fishery News From Various Centres.

Aug. 19.—From W. White (English Hr. to Spaniard's Cove).—The catch is 12,390 qts. with 90 for last week. About fifty dories and skiffs are fishing. A few boats on the west end of this section have done remarkably well, having secured from 2 to 3 qts. daily with hook and line. Many of the fishermen, however, are "making" or shipping their early catch, and not giving much attention to actual fishing. Prospects are very good and there is plenty of squid for bait.

Aug. 19.—From R. Brown (Upper Amherst Cove to Cape L'Argent).—There is a good sign of fish on the offer grounds, but nothing on the inside. There is squid enough for bait, but it is not plentiful lately. The catch to date is 13,300 qts. with 1,500 for last week. Stormy weather is hindering operations, but 360 dories and skiffs are fishing. One schooner has arrived from the Grosis Islands with 150 qts.

Aug. 19.—From S. E. Chafe (South Head of Briggs to Bay Roberts Point).—Both cod and bait are very scarce at present, and prospects are poor. Forty punts are fishing and the catch is 2,760 qts. with 10 for last week. Aug. 19.—From M. White (Aquaforte to Caplin Bay).—Prospects were very good for hook and liners this week, but on the whole are rather poor. Squid is not very plentiful, though there was enough for the week's fishing. Six whale boats and 81 dories and skiffs are fishing.

The Buddy Boot.

Capt. Morgan Hendrogen, of Samuel Harris, Ltd., Grand Bank, needs no introduction to either banking masters or banking crews. When he makes a statement, they may depend upon its being absolute fact. When he highly recommends the Buddy Boot to fishermen, they understand he knows from experience that the Buddy Boot is the kind that they have always been looking for, and the kind that will ensure the greatest amount of satisfaction.—aug12,5,w,16

Vessels Awaiting Chararters.

Shipments of newly cured codfish are late this season in reaching St. John's from the different outports and in consequence a number of vessels are now here awaiting charters to European and Brazilian markets. The bulk of the new-made article is not expected to arrive here before the middle of next month on account of the short bank catch since June month in addition to the late Labrador arrivals.

Motor Cycle Meets Mishap.

NURSE GIBBONS INJURED.
While going along Harvey Road near the C.L.B. Armoury, shortly before ten o'clock last night, a motor cycle, driven by Mr. Wm. Stevens with side car attached containing Miss Gertrude Gibbons, District Tuberculosis Nurse, ran into two dogs which were fighting on the street. The result was that the machine was capsize and the occupant of the side car was violently thrown to the ground head foremost. She was picked up by Messrs. Pottles and Kelly with blood flowing copiously from her forehead where a nasty cut was inflicted. She was immediately attended by Dr. Burden and then driven to the General Hospital in that physician's motor car. An examination at the hospital showed that Nurse Gibbons was all right beyond the cut forehead. What accounts for her injuries being of a minor character is that the motor cycle was fortunately going slow. This morning the patient was able to sit up and did not feel the effects of the accident. Nurse Gibbons is a most popular and esteemed young lady, and her many friends are glad to hear that she escaped so well.

What Are You Doing for that Eczema?

"Nothing; I've about given up trying to cure it."

"That is not wise. Do as I did and you will probably be cured in a short time. I used Zylex and Zylex Soap with it and my Eczema began to improve at once. A couple of boxes cured. You can get Zylex at your druggists."

Zylex, 50c. a box; Zylex Soap, 25c. a cake.

AN OMISSION.—From the list of Naval Reservists which we published yesterday as returning on furlough two names were inadvertently omitted. These were Reservists John W. Harvey, son of Mrs. J. Harvey, of the South Side, and his cousin, James J. Harvey, son of Mr. Richard Harvey, also of the South Side. Both young sailors have served on H. M. S. Grangemouth and will return as soon as their month's leave has expired. James' father, Mr. Richard Harvey, is doing useful work at the Rifle Range, and both young cousins are anxious to be in at the finish of the war.

LAST BIG BATCH FOR SEASON.—The Red Cross Liner Florizel is expected to get away from Halifax early this afternoon for this port. The ship has about seventy round-trippers on board, probably the last big batch she will bring from New York this season. She is due here Thursday forenoon.

MINARD'S LINTMENT LUMBER-MAN'S FRIEND.

Our Baseball Column.

PLAGIARISED AND OTHERWISE.

WHAT'S YOUR OPINION?

Dear Editor of the Baseball Dope: As there is no earthly hope of finishing off the second round till chill December comes around at the rate we have been able to play, Seeing it rained on each Wednesday, And as "Double Headers" are a bore Especially to those who umpire or score, And seeing that the cash we make The Red Cross Fund or Orphans take, A suggestion I have to offer, (And let everyone their opinion proffer)—

AS THE HALF HOLIDAYS END SO SOON, LET'S PLAY EACH SUNDAY AFTERNOON.

Thanking you for space, old Scout, I sign myself,

"THREE STRIKES, YER OUT!"

The second round begins to-morrow morning when the B. I. S. and Cubs will clash for the last time. The game will commence at 10:30 with the following line-ups:—

B. I. S.	10:30 am.	CUBS
Carew	1st Base.	Hall
O'Reilly	Pitcher.	Clouston
Ring	1st Base.	St. John
Campbell	2nd Base.	Duggan
Channing	3rd Base.	Orr
McGrath	Short Stop.	Lehr
Power	Right Field.	Murphy
Doyle	Centre Field.	Tessier
Grace	Left Field.	Carter

The afternoon's game will be between the Wanderers and Red Lions and will begin at 3 p.m. The players will be:—

Wanderers	3 p.m.	Red Lions
King	Pitcher.	Cooney
Ford	Catcher.	Hiltz
Hartnett	1st Base.	Ellis
Hocken	2nd Base.	Buckingham
Dr. Pritchard	3rd Base.	Power
Britt	Short Stop.	Maher
Dobbin	Right Field.	Jenkins
Brien	Left Field.	Rolls
Hunt	Quick	

"Chief" Chesman and "Doc" Smith will control both games, with Mr. P. E. Outerbridge at the score sheets. A B. I. S. scribe is greatly agitated; wants to know if a catcher has the right to block a runner off the home-plate. He is too impatient. He should wait till a B. I. S. runner gets that far.

It's easy enough to be pleasant

When existence moves onward serene;
But the bloke worth while
Is the one who can smile
When the mulehide is scorching his bean.

The Cubs have proved they can win a ball game but when do the Wanderers intend to prove that they can lose one?

"Doc" Power will be sadly missed from the Irish line-up to-morrow owing to injuries received in the Wanderers' game. His brilliant playing around third was always a source of delight to the fans, and his absence will considerably weaken their infield.

TO ARTHUR HILTZ.

He may not be the Hiltz of old—
He may be drifting back:
He may not have the same old flash—
The same old timely whack;
But if his prime has faded out
Where youth and speed have gone—
If Time has beckoned him at last
Along the backward trail he's passed
Nobody coming on.

A pitcher can go to the well once too often—but not a baseball pitcher. The bouncehead play is as beloved of the fan as the star feature in batting and fielding. Rather rough on the player who makes it, to be sure; there is something, nevertheless, in the genuine bone which appeals to the crowd. Especially pleasing is a slip by some knowing player, some wiseacre whose record seemingly should be free from blunders. What player will pull them to-morrow?

Tim Hartnett claims you can park him on a desert island, clog up the key hole, cut the wires, and he'd still be able to put his hand on the manager who will hook this year's pennant. What d'ya know about that?

Overheard at last Wednesday's game between the Cubs and Lions:—
A young lady leaning over to her escort exclaimed:—"Isn't our pitcher perfectly wonderful! He hits their bats no matter where they put them."

TO-MORROW'S GAMES.

Ready now, for fireworks, you having bleacher bugs!
Can the "inside stuff" you scribes, get ready for a thrill.
Just forget the pretty bunt, for here's a bird who slugs,
Watch him when he takes a swing to pickle that old pill.

Sure, I like the hit and run. Of course I like the bloke who grabs a pass or beats a bunt or gets an infield poke;
And when they pull a double steal it always makes me beam,
But I just love to watch the guy who soaks it on the seam.

Ready now, to test your lungs, you grandstand fans sedate!
Toss the score card overboard, and shed the coat and hat.
Just forget the coacher. Glue your eye upon the plate;
Every base is loaded and the clean-up man's at the bat.

Don't I like the "inside" stuff? Why sure, I like nifty sport.
Clever ball to start a steal, then bungle one thru short.
Yep! I like the squeeze play and those sacrificing blows,
But, boy, I love to watch the kid who cracks it on the nose.
