BREAKFAST—EPPSS' LOCOA. — GEATEFUL AND COMPORTING —By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocos, Mr. Epps has provided our breakfast tables with a delicately flat vored beverage which may save us many heavy doctors bills.—Civil Service Gazette. Made sumply with boiling water or milk, flach packet is labelled "Jumes Epps & Co. Homoopathic Chemiste, London." Also, makers of Epps's Milky Occoa (Occoa.and Condensed Milk).

If we can benefit the readers of the MERCURY any by recommending "Parsons' Purgative Pills' to be the best antibilious medicine in the country, we are willing to do so. We have had about as good a chance to know as any one. WORTHY of NOTE.—An exchange says there is scarcely a day passes that we do not hear, either from persons coming into our office or in some other way, of the success of "Johnson's Anodyne Liniment" in the cure of coughs and colds, so prevalent about town just now.

THE Venerable Archdeacon Scott, of Danham, Canada East, says that he suffered from Dyapepsis more than twenty-five years, but that three weeks use of the Peruvian Syrup (an Iron Tonic), has benefitted him ao wonderfully that he can hardly persuade himself of the reality, and people who know him are astonished at the change.

Dr-S Jacobs, on Aphonia, or loss of voice—Orange St., St John, N.B., 1869—Mr Fellows—Sir: I am bound to award the palm of merit to the preparation of Hypophosphites discove ed by you. I had occasion to use it myself in a case of Aphonia, which would not yield to regular treatment, and am happy to say, it proved to be all that you claimed for it, having acted with expedition and entire satisfaction. I feel called upon to publish the fact, that the profession may avail themselves of a remedy in your "Compound Syrup of Hypophosphites." Yours, very truly, S Jacobs, M. D.
