

Thanks, Mr. Mayor! Use Them Again When You feel the Need

The Mayor of a thriving Western Ontario town not far from Aylmer was a sick man. Extra duties, overwork and heavy responsibilities had combined to bring him to the edge of a nervous collapse, and he was in bad shape from sleeplessness, indigestion, kidney and liver complication.

In this state he was induced to try Tonal-Iron Capsules to increase the quantity of his blood, enrich and purify it, give him back his lost energy, strengthen and tone his nervous system and end the distressing kidney and liver symptoms. He took one box. The results were marvelous. "No other word is strong enough" he says. He bought another box but never finished it, for he was a well man before the second box was empty.

Hearing of the case, we investigated, and were informed that His Worship had indeed been restored to full health in record time. If you are a sufferer, do as the Mayor did, and try this new treatment.

Contain a Laxative Absolutely Tasteless

The New French Gelatin Body-BUILDER

They act promptly in cases of Anemia, Impure Blood, Nervousness, Nerve and Muscle Twitchings, Weakness and Palpitation of the Heart Shortness of Breath, Excitability, Indigestion, Dyspepsia, Liver or Kidney Trouble, Rheumatism, Vital Weakness, Mental Depression, Poor Circulation, Lack of Ambition, Numbness or any form of Physical Decline. Sold by all modern druggists at \$1.00 a box containing three weeks' treatment. Guaranteed.

N.B. If you cannot obtain Tonal-Iron Capsules at your drug store, take no other, but mail \$1.00 to us and a box, carefully wrapped, will be sent you postpaid.

YARMOUTH MAN STRUCK BY AUTO—IS KILLED

Two Local Boys in Serious Accident South of St. Thomas Sunday Evening—Victim, Wm. Locke, was Walking in Centre of Road and Stepped in Path of Car.

William Locke, a well known resident of Gravel road, Yarmouth township, was struck by an automobile driven by Miss Verna Jefferson, of St. Thomas, about 8.45 o'clock Sunday evening, and almost instantly killed, his neck being broken. The fatal accident occurred about three miles south of St. Thomas, directly in front of Charles Weiners home, Gravel road. According to reports received from eye witnesses of the accident, Miss Jefferson was driving the auto at a moderate speed in the direction of Port Stanley. Mr. Locke was walking in the same direction, and another car coming from Port Stanley way, had just passed him. It is thought deceased who was walking in the centre of the road, stepped

in behind the car which just passed him, and the car which struck him had just come up a little grade so the driver could not see him until directly upon him. The horn was incessantly sounded, to which he paid no heed and the car struck him in the back and hurled him forward on his face. He never regained consciousness, and died a few minutes afterwards. His face and head were severely cut and bruised. In the car with Miss Jefferson were Archie Hare, son of Wm. Hare, ex-Reeve, of Malahide, owner of the machine, Miss Jefferson's mother, and sister and Leo Jones, of Aylmer.

Mr. Locke was returning home from visiting his neighbor, Ernest Stiples and was within twenty yards of his own home when the accident happened. It is believed he was engrossed in thought and was unaware that the auto was approaching behind him until it was almost upon him, and on account of the grade and the lights of the auto approaching, Miss Jefferson could not see the man on the road until directly upon him.

Coroner Ewin, of St. Thomas, was

immediately notified and visited the scene soon afterwards. He arranged for a post mortem examination Monday morning and a coroner's jury was summoned by Acting Crown Attorney, M.D. McCrimmon. After holding the most-mortem and visiting the scene of the accident the jury was dismissed until next Monday evening when the inquest will be resumed in the school house, Gravel road. The evidence will be heard at 8 o'clock, fast time.

Mr. Locke was 56 years of age and a man of robust health. He had been a resident of Yarmouth township for several years past and was highly respected in that locality. He leaves a wife, three daughters and one son to mourn his loss: Mrs. A. Porter and Miss Eva Locke, who reside at home with their mother; Mrs. F. Hayman, Sparta, and Lewis Locke, at home.

Nothing is better than a good wife and nothing is worse than a bad one.

METHODIST CONVENTION AT SPRINGFIELD

Pass Resolutions Condemning Sunday Visit to Port Stanley of Hon. F. B. Carvell.—Protest Against Sunday Milk Delivery.—New Officers elected.

Close on the heels of the condemnatory resolution passed by the London Presbytery, in session in Knox church here, last week, vigorously protesting against the action of Hon. F. B. Carvell, Minister of Public Works, and his party, in making a tour of inspection of London and Port Stanley on Sunday, May 4th, declaring it to be a direct violation of the Lord's Day Act and also the laws of the country comes a similar resolution, modified to a certain extent, passed with but one dissenting voice, at the general session of the May meeting of the St. Thomas District in Springfield on Wednesday, and trict of the Methodist church held Thursday of last week. The Thursday meeting when the alleged resolution was passed, was exceptionally well-attended and the alleged misdemeanor of the minister of the crown and those who accompanied him on the strongly criticized tour was one of the main topics of discussion.

Action of Mr. Carvell Injudicious

The resolution, moved by Rev. J. W. Pring, Ph. B., and seconded by Rev. W. K. Hager, B. A., was as follows:

"That the annual district meeting composed of Ministers and Laymen in equal numbers, in session assembled, desire to express our appreciation of the action of the London Ministerial Association and London Presbytery in calling attention of the Hon. F. B. Carvell in yielding to the opportunity of the Acting Mayor of the city of London and going on a tour of inspection of the harbor at Port Stanley on Sunday, May 4, 1919, the inspection being with a view to making improvements therein, such action being in our judgment a violation of the Sanctity of our Christian Sabbath. We regard the action of the Hon. Minister as very injudicious inasmuch as it tends to destroy the moral sense of our people in the sacredness of the Lord's Day and sincerely hope that the Hon. Minister will see this matter from this standpoint, and in future perform his official duties at such times as will uphold our traditions as a Sabbath-keeping people. And that a copy of this resolution be sent to the press and to the Hon. Minister at Ottawa."

Against Sunday Delivery of Milk

Another lively subject of discussion, that resulted in a lengthy controversy, particularly among the lay members of the meeting, was the delivery of milk to the different condensers in the country on the Sabbath. This matter had been held in abeyance for several months on account of the condenser heads having asked for indulgencies on the grounds that the Sunday deliveries of the product was an exigence in the successful termination of the war campaign. The cessation of hostilities, however, found the attendants at the Springfield meeting strongly opposed to the continuation of the Sunday deliveries and a vigorous resolution, protesting against the practise was passed unanimously, with instructions that a copy of it be forwarded to the Attorney-General immediately.

Excellent Showing for Past Year

The report of the secretary for the past year was an exceptionally heartening one, a general increase being in evidence all around, both in finances and membership. The total membership for the district was reported as being 5,712 which shows a slight increase owing to three circuits having been taken off during the year and placed in other districts. The missionary givings for the district totalled \$11,029, an increase of \$1,738. The total subscriptions to the

Its ASSAM quality gives it that rich flavor

educational fund amounted to \$1,373, an increase of \$293. The total amount paid out for salaries was \$18,320 and the total amount of monies raised for all purposes; \$76,122, an increase of \$7,953 over the previous year.

With a total of 45 Sunday schools in the district the entire enrollment was 6234 and the average attendance, 2,641.

The New Officers Elected.

On account of the forced retirement of Rev. S. L. Toll, from the chairmanship, Mr. Toll having moved to Hamilton district, Rev. W. K. Hager, of Aylmer, was elected to that office. Rev. G. A. King, of First Methodist church, St. Thomas, was elected district representative on the stationing committee; W. M. Kiteley, of Malahide circuit was elected journal secretary for the ensuing year and A Roy Johnson, of Fingal, assistant-journal secretary.

JUDGMENT GIVEN IN CASE OF WALKER vs. MARTIN

Vivian Martin Fined \$2,000 With Costs. Action Dismissed Against Edward E. Martin With Costs.

Judge Masten has given the following judgment in part in the case of Walker vs. Martin, both of this place, which was heard at St. Thomas a couple of weeks ago, when judgment was reserved. The action was to recover \$10,000 damages, alleged to have been sustained by plaintiff in consequence of having been run over by an automobile driven by defendant, Vivian Martin and owned by defendant Edward E. Martin, on the 17th of September, 1917. W. K. Cameron, St. Thomas, and E. A. Miller, Aylmer, appeared for the plaintiff; G. L. Staunton, K.C., Hamilton, and W. H. Barnum, Aylmer for the defendants.

Judgment: I am of the opinion that defendant Vivian Martin has failed to discharge the onus cast upon her by the statute, and that she was negligent, and I would so find, quite apart from the onus cast upon her by the statute. . . . I think plaintiff did the right thing in standing still. . . . I gave credit to the testimony of Edward E. Martin and of his daughter, and find that the implied permission to use the car, which would naturally have arisen from her previous use of it, is negated by the express refusal of the father this morning. With considerable hesitation I am of the opinion that defendant Edward E. Martin is not liable. Judgment against defendant Vivian Martin for \$2,000 with costs and dismissing action against defendant Edward E. Martin with costs. Stay for fifteen days.

AYLMER MAN FINED \$250 FOR EVADING DRAFT

Friend Paid Fine
Maxwell Rohrer was Saturday fined \$250 by Police Magistrate Graydon, London, during the Carling street court session, when he was found guilty of failing to report under the military service act.

Rohrer's explanation was a shrug of his shoulders when he heard the amount of the fine. A relative stepped forward from the spectators' gallery and counted out to Court Clerk Moule the necessary amount, following which he and the draft evader left court.

Registering for service, Rohrer immediately asked for exemption, and failing to secure it he commenced moving about the country, until he was taken in custody by Constable Blackburn of the Dominion police. As a member of group 3, Rohrer failed to report for service when ordered by the military authorities to do so.—London Advertiser.

RECEPTION TO BRIDE AND GROOM AT ORWELL

Bells, tin pans and all the noise producing things imaginable headed a procession of nearly every resident of the village of Orwell on Saturday night last to surprise a couple of newly weds, Mr. and Mrs. A. M. Towe on their return from their honeymoon trip to New York, Atlantic City, Washington, Cincinnati, Dayton, Detroit. A dainty lunch was served by the ladies at the home of the bride's mother, Mrs. A. Durdle. The gathering took the opportunity to show their esteem for the bride (nee Miss Clare Durdle) by presenting her with a plateau and cut glass

and sterling silver butter dish. About midnight the friends dispersed wishing the young couple bon voyage. They will reside in London at 375 Princess avenue.

What word may be pronounced quickly by adding a syllable? Quick. Why was Sir Wilfrid Laurier like a piano? Because he was grand, upright and square. Why is the letter A like 12 o'clock noon? Because it is the middle of day.

LOCAL IMPROVEMENT NOTICE

Take notice that the Municipal Council of the Corporation of the Town of Aylmer, intend to construct as local improvements the following:

1. A 3 1/2 foot concrete sidewalk, on the east side of Myrtle street, from the North side of Talbot street to the bridge over Catfish Creek. The estimated cost of the work is \$63.35. The estimated special rate per foot frontage is 7 1/2 cents. The special assessment is to be paid in ten annual instalments.
2. A 3 1/2 foot concrete sidewalk on the South side of Maple street, from the west side of John street to the west side of Cedar street. The estimated cost of the work is \$188.40, of which \$36.40 is to be paid by the corporation. The estimated special rate per foot frontage is 70 cents. The special assessment is to be paid in ten annual instalments.

A petition against the work will not avail to prevent its construction. D. C. Davis, Clerk. Dated this 12th day of May, A.D. 1919.
