## FINAL GAME IN DISTRICT WITH INGERSOLL TONIGHT

Good Sheet of Ice Promised and Fast  
Game Is Expected—Ingersoll Seven Is  
a Good One and Hard to Beat.

London Intermediates will play their final game of the district at the Princess Rink this evening with Ingersoll. Although the weather of the past two days has put a decided crimp in the ice, Secretary Barney Vining stated at a late hour last night that he thought the game would be played, and if there is any ice at all it will be pulled off. The weatherman has promised colder weather, and it feels as though it has arrived. Ingersoll will bring a strong team, and London fans who saw the game in Ingersoll when London won out by 6 to 5, will bring out the statement that the visitors will make it interesting all the way for the home folks. Next to London and Paris, Ingersoll has the best team in this group, and with a good sheet of ice, it will be a lightning exhibition. Jerry Coughlin, the fast rover of the Ingersoll seven, is one of the best players in the O. H. A. today, and he has a couple of offers recently from the pro leagues.

### JOE TINKER HAS GOOD TEAM FOR CHICAGO FEDS

Chicago, Jan. 29.—The signing of Fred Beck, formerly with several National League teams and last year with the Buffalo Internationals, today rounded out, in Manager Joe Tinker's opinion, a big league team for the Chicago Federals. Beck probably will play first base, with Kading last year with the local Federals, his understudy.

Tinker's catchers so far as given out are: Owens, Washington, Allen, a local player, and Mulvaney, Cincinnati, with Klinger, still claimed; Hendrix, Pittsburgh; Brennan and Cummings, Philadelphia; Packard, Cincinnati, and Lange, a local man, claimed by the Chicago Americans, will be the main reliance among his pitchers. Tinker, Beck, Wadsworth, Westfall, of St. Joseph, and Zelder, of the New York Americans, compose the infield, and Wickland, who jumped from the Cincinnati club last night, and (willing, claimed by the Boston Nationals, with several recruits, the outfield.

### FEDERALS TO CONTINUE WAR UNTIL TAKEN IN

Chicago, Jan. 29.—War between the Federal League and organized baseball will continue until the latter receives the new circuit into its fold, according to Secretary Lloyd Hickart, of the Federals. Hickart said today the Federals would continue next year their raids on the players of organized baseball as soon as their contracts expire at the end of the season. There are enough of these to cripple the big leagues more seriously than the present raid will do if they jump, said the secretary, while the Federal League believes itself safe from counter raids because its recently acquired stars are under contracts mainly for three years. The situation at the end of the season will be such as to force recognition from the American and National Leagues, and a third big league the Federal will operate on equal terms with the others in 1915, its promoters believe.

## ANDY KYLE IS GETTING TO BE HANDY WITH THE WILLOW

KEN RANDALL.

ANDY KYLE.

As a result of a mix-up occurring during a game between the Halifax Crescents and the Sydney Millionaires on Tuesday night, Andy Kyle, the former London Canadian League player, was fined yesterday in the Sydney police court. Kyle hit an umpire over the head with a bat. Randall played with Lindsay Intermediates when they won the O. H. A. silverware a few years ago.

### TWO AMERICAN MEN MAY HAVE BEEN SHOT

Were Taken Away by Mexican  
Federals in Suspicious  
Manner.

[Canadian Press.]

San Diego, Cal., Jan. 30.—P. W. Harwood, an Oakland, Cal., newspaperman, and Morton Miller, another American, were led out from Tijuana, Mexico, shortly before midnight Wednesday under a guard of Mexican federals and are now believed to be lying dead in the mountains, a few miles south of the line, after being subjected to the

fugitive law. Three miles south of the border Harwood managed to slip a note to a Mexican, who passed them on the road. The note was addressed to a San Diego newspaperman. According to the Mexican who mailed the letter, the guard of six federal soldiers carried no supplies, and, aside from a small blanket which one of the Americans had, there was no covering. This has convinced United States officials along the border that the prisoners were not being taken to Ensenada for trial, as the Mexican authorities asserted, but were being led beyond into the mountains, where they would be subjected to the law of "la faja" beyond the sight of anyone on this side of the international line.

Montreal, Jan. 29.—Rabbi Simon Glazier was acquitted today by Judge Lacombe in police court on a charge of misappropriation of trust funds. Insufficient evidence before the court to justify proceedings with the case was given in explanation of the verdict.

## IS HE REALLY COMING BACK?

Ad. Wolgast, former lightweight champion, who is showing better form at present than he has for the past two years. Wolgast defeated Joe Rivers last week, and last night knocked out Rudy Unholz in two rounds. He is after a match with Ritchie and fight fans are inclined to think he will regain his lost title.

### BERLIN BEAT PRESTON IN A HARD BATTLE

Dutchmen Evened Up Group  
Standing by Winning 2 to 1.

LEAD AT HALF-TIME 2 TO 0

Ice Was So Slushy That Effective  
Combination Play Was Im-  
possible.

[Special to The Advertiser.]

Berlin, Jan. 29.—Berlin Intermediates turned the trick by beating the strong Preston seven tonight by a 2-1 score in one of the hardest fought O. H. A. games here this season. The win for the Berliners ties the two teams for the group honors, each having won eight and lost one. Each team is almost certain of winning the remaining game in group five, making a sudden death or home and home games necessary.

Ice Was Covered With Water. The visitors made it decidedly interesting every stage of the play. The heavy with pools of water on the ice made it impossible, if anything, the heavy going was perhaps a little to the liking of the home team. The visitors failed to get in their brilliant flashes of combination work, and persistent checking by the locals prevented effective individual work.

Berlin Led at Half Time. At the half period, Berlin led by two goals, and it was not until fifteen minutes in the second chapter that Rahn scored the visitors' lone tally. Laroux and Solom counted for Berlin. Four thousand saw the game, including large contingents from Preston and Galt making it the biggest crowd of the season. Harvey Sprue handled the game to entire satisfaction. The line-up:

Berlin: Hainsworth... Goal... Short Trushinski... Right defence... Bowman Selbert... Left defence... Walker Boelger... Rover... Hetherington Laroux... Centre... Muir Solomon... Left wing... Mulroy

Preston: Hainsworth... Goal... Short Trushinski... Right defence... Bowman Selbert... Left defence... Walker Boelger... Rover... Hetherington Laroux... Centre... Muir Solomon... Left wing... Mulroy

Indianapolis, Ind., Jan. 30.—That Samuel Gompers, president of the American Federation of Labor, was "gloriously drunk" at the Seattle convention of the federation was the charge made by Duncan McDonald, of the United Mine Workers of America today. During the prolonged cheers, "Liar" "Slanderer," were hurled at McDonald by Gompers, who sat on the platform. McDonald said he had seen Gompers in the condition described.

The statement threw the convention in an uproar, and it was some time before order was restored.

### MIDGE CRAVEN MAY PULL A BIG TRADE

Negotiating for Central League  
Club Players.

HAS A CATCHER IN SIGHT

Will Not Divulge His Name, However,  
Until He Gets Him Signed  
Up.

St. Thomas, Jan. 29.—Manager Craven has received word from Bill Essick, owner of the Grand Rapids club, in reference to the exchange of some players. Essick has three good pitchers, but he is willing to trade for a pitcher or other players. It is likely the local management will use Catcher Barton, with infielders Gadsby and Barney, and pitcher Hughes, in a trade. Ludington is at present dicker for Gadsby and Barney, and in all likelihood Hughes and Barton will also go to the Michigan circuit.

Mr. Gilmore is also in communication with a big rangey catcher, but until he gets him on a contract will not divulge the name.

### FEDERAL LEAGUE IS BUSY IN TORONTO

President Gilmore Is There Arranging  
For Work on New Ball Park.

Toronto, Jan. 29.—President Gilmore of the Federal League, in a statement today, described as absolutely untrue the report from Chicago that because of the Killifer matter there would be reprisals by the Federal League and players under contract to the major leagues taken by the new organization.

"We announced as our policy that no player under contract would be approached by the Federal League, and we do not intend to change that policy," he said. "We want to play fair by everybody, and we will adhere strictly to our announced policy, no matter what comes or goes. You can make this as emphatic as you like."

Mr. Gilmore said that the Federals had signed 127 ball players up to date, of whom 83 are major leaguers. The players will be pooled and distributed among the clubs. Bill Bradley is to be the Toronto manager.

"Dick" Carroll, the Toronto Club promoter, said: "We are going right ahead with our plans for a club in Toronto. We have selected a site for our grounds," he declined to name the location, except to say it was centrally located. Mr. Carroll held options on three sites.

Mr. Gilmore will leave for Chicago tomorrow night.

BOB MCLEAN WON

Jackson, of Montreal, sustained a bad cut above the knee and had to withdraw from the other races. The ice was soft. Summary: 440 yards, senior—Won by McLean; Roe, second; A. J. WILLIAMSPORT, Pa., Jan. 29.—Robert Fitzsimmons, former heavyweight champion of the world, displayed much of his old-time speed and ring generalship last night in a six-round bout with "Knock-out" Sweeney, of Cleveland. It was his first contest since he retired from the ring several years ago, and pugilistic experts who witnessed the battle declared he had "come back."

Fitzsimmons' blows were powerful, and while Sweeney remained in the fight for the limit, he was knocked down and took the count repeatedly.

### Russell-Knight Finishes World Famous Test.

This Record-Breaking Motor  
Concludes Run With a  
Series of Extra  
Tests at All  
Speeds.

Tuesday, at midnight, a Canadian-built motor, which has attracted the attention of the whole motoring world throughout the past two weeks, finished with flying colors its strenuous test. This famous 300-hour run, at varying speeds, from 500 up to 1,700 revolutions per minute, was concluded early on Tuesday. The motor was then put through a test of one hour at each of the various engine speeds, to discover what power would be developed by the motor in this second run.

Instead of this wonderful motor showing depreciation, it actually showed more power than when first tested. A higher horsepower established when the motor was run after its long climb.

As a fitting climax to this two weeks' grind, at midnight on Tuesday, the speed of the motor was increased steadily until it reached 2,000 revolutions per minute. In the midst of a tense silence, Mr. T. A. Russell announced that the motor had reached the marvellous speed of 63.5 h.p. at 2,000 revolutions, which is a world's record for a motor of its size. This has concluded the final step in a test which has been made by Prof. H. W. Price, of the University of Toronto, to develop the maximum power of the 28 h.p. engine and it is a matter of pride that this engine, which has created several new world's records for motors should be made in Canada.

Surely it is somewhat of a satisfaction to Canadians to know that this engine is being built by the Russell Company at West Toronto.

The final report of Prof. H. W. Price, in charge of the test, will be ready shortly. This report will show many records which are little short of marvellous.

Today the motor is being dismantled for inspection to find the extent, if any, of the wear and tear during this 300 hour test, which has been the most severe in the history of motoring.

### BEDIENT SIGNS WITH BOSTON.

Boston, Jan. 29.—Hugh Bedient, a Red Sox pitcher of the past two seasons, who was said to have been approached by Federal League agents, sent his signed contract to the Boston American League club today. Bedient expressed himself as "highly satisfied" with the terms.
