## ROYAL TYPEWRITERS **GUARANTEED ONE YEAR**

Street Gives Service Day

old. Mr. Robinson says:

"Freedom from annoying breaklowns and delays has made the Royal typewriter famous and makes possible prompt and reliable attention to those usually minor adjustments, etc., which sometimes occur. Royal freedom from repairs is due to careful manufacture and a unique double final inspection system before each

machine leaves the factory. "Royal typewriters are guaranteed for one year to be free from all defects of workmanship and material, and we will cheerfully replace any broken, worn or defective part not caused by accident, misuse or neglect.

caused by accident, misuse or neglect.

"The enduring qualities of the Royal typewriter, resulting in long life and efficient and economical typing, make Royal service in the years following the guarantee period of interest to every Royal user.

"If received before 3 p.m., we take care of all local calls the same day. "It is a matter of pride with us to supply on rent only machines in perfect working order, and we guarantee satisfaction. The test of a rental machine is the character of the work it produces, and we ask you to comit produces, and we ask you to com-

it produces, and we ask you to com-pare the work of our Royal rentals with any other offering.
"Our Royal rentals are delivered and collected at the end of any rental period without additional charge.
"Our terms, most reasonable for be character of machines supplied, cover from one day's use to several months, and will be gladly given on written or telephone request. Special written or telephone request. Special term rates are given to commercial users and also to students in schools

users and also to state of the control of the state of the control Remodeling Gives Old Furs New Life

F. B. Hertel Has Had Fifty Years' Experience in Business.

At this time of year, when the mothers and daughters of the country are getting out their winter clothes and putting away their lighter summer apparel, many of them are heard to say: "This old fur has about served its time now and I may as well throw it away. There isn't a large as walnuts is interesting Gerthing I can do to it to make it look man medical circles.

She may throw it away, but if she will send the fur to F. B. Hertel, 155 Central avenue, who will give it a new lease of life by his method of remodeling and cleaning. Mr. Hertel treats hnudreds of fur coat chokers, neckpieces and other articles yearly for the women of London. His 53 year's experience in this iled has made him an expert in handling. good again." She may throw it away, but if she has made him an expert in handling has made him an expect of the has been in all fur problems. He has been in this business since his youth, and in that time has worked in the largest that time has worked in the largest that time has worked in the largest fur centers in the world—in Germany, France, England, Russia, Canada and the United States. Mr. Herada and the United States. Mr. Herada in Canada since 1883, and was with the local firm of John Marshall & Co. for thirty years before entering into business for himself.

Every phrase of the work necessary in repairing and remodeling furs is thoroughly understood by Mr. Herations of cutting, dressing, sewing and long for cutting, dressing, sewing and large following operations to gatherness. Dr. Reicher has cured many pecple. He combines ictophysin with other means to prevent a return of the trouble.

visability of Using New Improved Speedometer.

As long as the current disposition to speed and more speed exists-and here is no evidence of any prospective diminution in it-just so long will representatives of the international army of motorists answer the police court call in thousands of cities every day in the year.

"Well, what about it?" the cour "Your honor, I simply couldn't have been doing any more than twenty or twenty-five. I just know I couldn't."

"Same oid salve," the judge thinks himself, and then audibly. 'How's your speedometer working?' "Well, it's not working right just ow, but I'm going to have it fixed the morning. I guess I could go

day."
"Very well," is the reply, "and a you pass the clerk there give him ten dollars and whatever the costs amount to." Altogether it costs this driver \$12,50

for his first lesson in "the advisability of proper maintenance of speedomeers." The cost of having the speed-meter adjusted would have been but fraction of the court fine. a fraction of the court nne.

Local motorists and those living
in the district surrounding London
go to the Ontario Speedometer Shoj
at 91 York street when they require
service of this kind, for they have

come to learn here they are assured adjustments and repairs that are always satisfactory.

The Ontario Speedometer Shop has been appointed an authorized Stewar and A. C. station, with territory ex-tending from Windsor to Brantford This concern announces an er tirely new speedometer, designed especially for small cars. This device, which is an A. C. product, does away with the swivel joint which has always been a source of trouble. In-stead of this system, the new device operates on a direct drive principle. which insures efficient operation under all conditions.

A. C. engineers have been workin on it for the last four or five years and now the result of their labors is offered for the approval of the auto-mobile owners of Canada.

The Ontario Speedometer Shop has the exclusive sale in London and Western Ontario, and invites inter-
