KIDNAPPING CASE IN ENGLAND.

The Experience of a Young Man With a Young Woman and a Major.

LONDON, March 12.—Some of the details of an extraordinary case of kidnapping was brought out in a trial in the Chancery Division this week, and, as one of the lawyers said, the story is one hardly creditable in the nineteenth century. A young man named Linwood has a case in court against Miss Andrews, who has an associate known as Maj. Campbell. Miss Andrews and Campbell in some way had gained possession of certain securities belonging to Linwood, and Campbell had appropriated to his own uses some of them to the amount of $10,000. Linwood sued Miss Andrews for the money and got out a writ against Campbell, who, in the meantime, had gone to Florida. But when he heard of the suit he came back to London, went to Linwood's house at Gerard's Cross, forced his way into Linwood's room, made Linwood come outside and take a walk with him, and when they had reached the end of a lane suddenly pushed Linwood into an open fly that was standing near. The major's son was inside, and when the major himself had got in they drove off to Watford, nine miles away. Linwood was told that he would be taken out to Florida, but he escaped from the hotel where he was confined and came home to ask protection of the court.

Do Not Be Alarmed

—at the raising of blood from the lungs. It is one of the very earliest symptoms of consumption, and only shows the healthy efforts of the system to throw off the scrofulous impurities of the blood which have resulted in ulceration of the lungs. Dr. Pierce's "Golden Medical Discovery" is a positive remedy for consumption at this stage. If taken faithfully, it will cleanse the blood, heal the ulcers in the lungs, and build up and renovate the whole system.

BIG BETTING AT CONEY ISLAND.

Investigation Into the Municipal Abuses at Brooklyn.

NEW YORK, March 12.—The Legislative Committee continued their investigation into Brooklyn municipal abuses to-day. James G. Kelly of Kelly and Bliss was called as a witness. He said that he was a speculator, and resided in New York. He admitted that he was a bookmaker and had special privileges at the Sheepshead Bay races owned by the Coney Island Jockey Club. For these he paid $4000 for each racing day. On one day he paid $6100. He sub-let his privileges to others. In 1883 there were twenty-five betting booths on the track; in 1884, thirty; in 1885, forty, and in 1886 sixty. He had known as much as $80,000 to go through one pool box. As much as $20,000 passed through his hands as bookmaker.

—If you require a spring medicine, if you are suffering with languor, debility, pimples, boils, catarrh, chronic sores, scrofula or loss of appetite, or any disease arising from impure blood, take Ayer's Sarsaparilla—the safest and most economical of all blood purifiers. d

Satisfied Confidence.

—J. B. H. Girard, of St. Edwidge, Clifton P.Q., says: "I am well satisfied with the use of Burdock Blood Bitters; it has cured me of dyspepsia that I had for three years. I used five bottles, and shall tell every person I know that may be attacked with similar sickness, and should not be afraid to guarantee every bottle used." 246
