Hubbard appeared.

The Engineer reported that if all stone for use on city works were dressed in foronto, the cost to the city for such works would be greatly increased and he an infustice to the ratepayers. A leputation was heard on behalf of the city stonecutters. Ald. Bates moved that all stone be brought to Toronto indressed. Ald, Leslie wished for furter information and to defer action for a fortnight. The motion was lost and he Engineer's report adopted.

There was a long discussion on amendments to the plumbing bylaws, introduced at the request of the Master Plumbers' Association, with one or two werbal alterations. The Engineer's report incorporating such amendments was adopted.

Watson Down-Draft Company, rented by George Watson, Joseph hinson, Joseph Bentley and John rs yesterday, a warm discussion en-ed. Ald. Leslie, Bates, Bell, Murray ded to secure this privilege for the outreal company.

Descreent road Car Service.

The committee adopted the Engineer's recommendation for the establishing of a doubt track street railway service on Descreent road, from College-street to Descreent road, from Bloor-street down to Descreent road to Dundas-street, and thence southerly along Dundas-street to Queen-street. The work of paving the racks with granite sets on a concrete \$\frac{8}{2}\$ tracks with granite sets on a concrete foundation, at an estimated cost of \$11,300, will be carried out in con-imetion with the laying down of the mile by the Toronto Railway Company.

Torento Railway Pavements.

In the construction of the permanent pavements for the tracks of the Toronto Railway Company, for which money has been provided under bylaw, there is a deficit of \$4584 om four ections. Other four sections had been enstructed, for which mo money has been appropriated also one section rebeen appropriated, also one section re-commended for construction, making a total amount required \$24,300. To pro-vide for this the committee instructed the City Solicitor to prepare a bylaw that the sum be deducted from the unexpended balances on pavement construction on Winchester, Church, Bloor an Bathurst-streets and on Broadview

In connection with the anniversary the Sunday School an entertainment to place last night in the Queen-street ea Methodist Church. Rev. T. E. Bartle esided over a large audience asic and singing were interspersed wi addresses from the pastor and others.
The Epworth League met in Wood
Green schoolroom yesterday evening.
There was a good attendance.

The attention of the City Council generally and the aldermen of the ward especially is called to the state of many of the streets east of the Don, Lewisstreet is simply impassable, the mud being deep enough to take any vehicle up to its axles. Other streets are nearly as bad. Can nothing be done?

The Horse Show.

The total of the entries for the Canadian Horse Show is 492, just eight short of the five hundred. There will be a splendid program drawn up for each performance, morning, afternoon and evening, of the three days. The committee yesterday decided to add, at special request, a jumping class for ladies. It shows that there is great sporting spirit among the fair ones of Toronto, when there is a general desire among those who hunt for this competition, which will probably prove the piece de resistance of the whole Horse Show The majority of the gatries are in the harness and saddle classes, in which there is immense competition.

New York Central Electric Road

Buffalo, N.Y., April 8,—This morning the New York Central put a big gang of laborers at work upon the new electric line that will run between Buffalo and Niagara Fails. The roadbed from Tomawanda to the falls has been improved, and the tracks will be straightened somewhat. Three cars which will be used on this line are at Tonawanda. They are furnished with great elegance.

There is danger in neglecting a cold. Many who have died of consumption dated their troubles from exposure, followed by a cold which settled on their lungs, and in a short time they were beyond the skill of the best physician. Had they used Bickle's Anti-Consumptive Syrup before it was too inte, their lives would have been spared. This medicine has no equal for curing coughs, colds and all affections of the throat and lungs.
