

proposed to cross the River at the seventh mile, and then proceed on a course nearly North, until the west bank of the River St. John is reached at the near Medicine Point; and thence to follow the level alluvial bank of the River St. John to Woodstock; the whole distance from St. Andrews being about eighty-two miles. None of the levels from St. Andrews to the River exceed thirty feet per mile, being a gradient of 1 in 175.

It is proposed, at present, to commence the construction of this Railway, not at St. Andrews, but at Waweg, ten miles from St. Andrews, and thence proceed Northwardly. There is a good harbour for shipping of the largest class at Waweg, and it is stated that each mile the Railway advances from that point, will develop abundant resources, the transportation of which to the place of shipment will render the line profitable from the commencement.

It is also proposed by the Saint Andrews Company to adopt Wooden Rails, in fact, to construct the whole Railway upon Wood; and to use upon the Carriages Prosser's Patent Railway Guide Wheels, which are peculiarly adapted to Wooden Rails. The following is a description of the Guide Wheels, and of the manner of constructing the intended Railway, as condensed from information furnished by the President of the Company, and is offered as possessing peculiar interests at the present moment.

The Guide Wheels are the invention of Mr. Prosser, the Patentee, who projected them in order to improve the mode of guiding Carriages along the Rails, and to diminish the friction and wear and tear of machinery, thus enabling him to construct cheap lines, by the substitution of a less expensive material for Rails than iron.

ALL MAY BE CURED BY

HOLLOWAY'S OINTMENT

Extract of Letter from John Martin, Esq., "Chronicle" Office, Tobago, West Indies.

February 4th, 1845.

To Professor Holloway.

Sir, I beg to inform you that the inhabitants of this Island, especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicine within their reach, from the numerous benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running sores about his legs, arms, and hands, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but your cure did him in about six weeks, and he is now, as their means allow, quite restored to health and vigour.

(Signed) JOHN MARTIN, FIFES FISTULAS AND HEALING-DOWN.

A remarkable Cure by three Pills and Ointment. A half-pay lieutenant, lately residing at Hillier's, Jersey, whose name by request is quoted, had for three years suffered from piles and fistula, besides a general bearing down of the most distressing nature. He lost his sleep and was unable to perform his duty. He had given him a consultation of complaints, together with a delirious constitution, he was completely cured of all his ailments, and restored to his full enjoyment of health by these justly renowned medicines, when every other means had failed.

EXTRAORDINARY CURE IN THE WEST INDIES, OF LEPROSY AND OTHER DIREFUL SKIN DISEASES.

June 2d, 1841.

Mr. LEWIS REEDON, of Georgetown in Demerara, writes under the above date, that Holloway's Pills and Ointment, have cured him of leprosy, which he had contracted in his youth, and which he had been unable to cure by any other means.

CANKERED BREAST - A WONDERFUL CURE.

Copy of a Letter from Richard Bull, Boatman, Taiton, near Southampton.

February 9th, 1845.

To Professor Holloway.

Sir, - The Lord has permitted to be wrought a wonderful cure of Ulcers of the Breast, of twelve years standing, in my wife's breast. In the late part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our mutual astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life.

I shall ever remain your most grateful and obedient servant.

(Signed) RICHARD BULL.

Wheezing on the Chest and Shortness of Breath.

Copy of a Letter from Mr. J. C. Gray, No. 1, Crofton place, Crompton street, Brunswick square, London, April 25th, 1845.

Sir, - I beg to inform you that I believe I have been for more than three years a sufferer from Chronic Asthma, and for weeks together my breath was frequently so short, that I was almost every moment of being choked with phlegm. I never went into a bed, very often indeed, I have been obliged to pass the night without being able to recline sufficiently to my head on a table, lest I should be suffocated. No one thought I should live over the winter, and I myself, but I am happy to say, that I am now able to work from morning to night, and that I sleep as well as ever I did in my life, and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking ten of your Pills at bed time, and on again in the morning, for about three months.

(Signed) JEREMIAH CASEY.

IN ALL DISEASES OF THE SKIN.

Bad Legs, Old Wounds, and Ulcers; Itch, Brucella, Sore Nipples, Stomach and Ulcerate Cancri, Tumours, Swellings, Gout, Rheumatism and Lumbago, likewise, in cases of Piles the Pills in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a much greater certainty and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chigoees, Itch, and Cocco-bay.

Burns, Scalds, Chilblains, Chapped Hands, and Lips, also Bunkums and sores, will be cured by the use of the Ointment.

THE PILLS are not only the best remedy known when used with the Ointment, but as a General Medicine there is nothing equal to them. In nervous affections, as well as in all cases of general debility, or where there is a want of purity in the blood and fluids, they will insure HEALTH TO ALL!

THE EARL OF ALDBOROUGH

CURED BY

HOLLOWAY'S PILLS.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from the Earl of Aldborough, dated villa Messina, Leghorn, 21st February 1845.

To Professor Holloway.

Sir, Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had been able to effect only by the waters of Carlsbad and Mineral Water. I wish to have another Box and a Pot of the Ointment, in case any of my Family should ever require either.

Your most obliged and obedient Servant.

(Signed) ALDBOROUGH.

A WONDERFUL CURE OF DROPSY OF FIVE YEARS' STANDING.

Copy of a Letter from Mr. Thomas Taylor (the name), Northampton, 17th April 1845.

To Professor Holloway.

Sir, - I think it my duty to inform you that Mrs. Clough, wife of Mr. John Clough, a respectable farmer of Aycliffe, within four miles of this place, had been suffering from Dropsy, for five years, and the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit that in fact, she has now given them up, being so well and quite able to attend to her household duties as formerly, which she never expected to do again. I had almost forgotten to state that she was given up by the Faculty as incurable. A few days ago she used to get up in the morning it was impossible to discover a feature in her face, but a such a fearful state. This cure is entirely by the use of your medicine.

I am, Sir, yours, &c. &c.

(Signed) THOMAS TAYLOR.

I should strongly recommend, therefore, and sincerely do myself, to commend generally, to use your valuable Pills. You have my permission to publish this note, if you wish to do so.

I am, Sir, your most obedient servant.

(Signed) G. R. WYTHEN BAXTER.
