BANKERS—Bank of New Brunswick. SECRETARY & TREASURER—Mr. C. L. Street. George D. Street, Esq. Agent, St. Andrews. James J. Stevens Esq., Agent, St. Stephens.

THIS Society is established on a mutual simplified system—the most approved in England; and founded on a basis so sound as to give the most effectual security to its members.

First—To enable its members to acquire their own Landlords, and purchase a freehold or leasehold Property, by advances made by the Society.

Second—To provide a safe and profitable fund for its members, or investments for small or large sums of money. (This Society offers opportunities in this respect which no other Institution in this Province can do—Savings Banks only pay 5 per cent. whereas this Society pays 6 per cent. Compound Interest.)

THE OTHER IMPORTANT ADVANTAGES ARE—1st—No money is lent but on security of real Property.

2d—New Members are admitted up to the time the Society will end, with equal preparation as advantages.

3d—Any Member may withdraw the amount of his Shares at any time after the first year, with the compound interest thereon. Shares may be transferred at any time.

4th—Members may invest their Money in Legitimate Ventures which will necessarily be double the amount at the commencement being worth £120 a freehold.

5th—Mortgages can be repaid at any time and at proper interest.

6th—The Accounts and Bank Book are open to inspection of every member at any monthly meeting.

7th—Securities given by all Officers of Trust. The Board of Directors in St. John have the GENERAL MANAGEMENT of the Society—except the purpose of securing future progress, and the other parts of the Province, FRANCH OFFICES, or Agencies, are appointed where Shares can be obtained, and all the payments made in the various districts, and Local Executive Management will be established so soon as the number of Shares taken may demand it to be available.

The Funds are procured from the Monthly Sale of Shares of the Members, from the Shares redeemed in Paid up Shares, which will always be sure to provide for the meeting the advances to be made.

The Funds are certainly, because the amount paid by the borrower, for an advance, is not recouped by the fund for paying the lender.

The Expenses of the Society are small, as the Officers and Agents, on the exception of the Society and its officers.

The First and Fifth form a Contingent Fund out of which the expenses are paid, and the balance, which will be very considerable, will go to the general Fund, which will lessen the duration of the Society.

For further information, with copies of Prospectus, Rules, &c. can be obtained on application at the office of the Society, or at the Offices of the Agents.

By order of the Board, CHARLES L. STREET, Secretary & Treasurer. Prince William Street, St. John, N. B. December 25, 1847.
