

## Cough Caution

Many people have never taken their cough medicine properly. It is a simple matter to take a cough medicine, but it is a matter of life and death to take it properly. Don't let your cough medicine do you wrong. It is a matter of life and death to take it properly. Don't let your cough medicine do you wrong. It is a matter of life and death to take it properly. ## TO COUGH PROPERLY.

(From Health.)

Few people know how to cough properly. It never occurs to the ordinary individual that there is a right way and a wrong way of doing it. Yet it is a matter of no small importance. If every sigh means a drop of heart's blood, as people say, every cough means some greater or less proportion of time knocked off one's life. Most people cough as loudly and furiously as they can. But it is rather costly noise for the simple reason that it tears and inflames the lungs. The lungs consist of an extraordinarily delicate spongy tissue, which some times gets inflamed and choked with phlegm. When we try to get rid of this substance we cough. But obviously, if we remove it violently, we must necessarily injure the delicate lung tissue. Therefore, train yourself to cough as gently as possible.

### FOR CONSTIPATION.

Mr. J. H. Farnham, a prominent druggist of Spirit Lake, Iowa, says: "Chamberlain's Stomach and Liver Tablets are certainly the best thing on the market for constipation." Give these tablets a trial. You are certain to find them agreeable and pleasant in effect. Price 25 cents. Samples free. For sale by W. A. WARREN, BRIDGETOWN, W. WADE AND BEAR RIVER DRUG STORE, BEAR RIVER.

### A HEALING SALVE FOR BURNS, CHAPPED HANDS AND SORE NIPPLES.

As a healing salve for burns, sores, sore nipples and chapped hands, Chamberlain's Salve is most excellent. It alleviates the pain of a burn almost instantly, and unless the injury is very severe, heals the parts without leaving a scar. Price, 25 cents. For sale by W. A. WARREN, BRIDGETOWN, W. WADE AND BEAR RIVER DRUG STORE, BEAR RIVER.

"The wise mother of today emphatically instructs her daughter, if not in set terms, yet clearly, that though a happy marriage is the best thing on earth for both men and women, it must not be made the sole object of life. She shows her that an unhappy marriage is perfect misery, and must be forever stunted. She teaches this gentle, aspiring, conscientious girl, that happiness is a by-product, which comes as one pursues congenial work earnestly and heartily—cares for the invalid mother—teaches a store—gives in a kitchen—carves wood—designs patterns—nurses the sick. A girl brought up in this sensible way, will gladly take a husband, if the right man comes along; but she will not become cross and hateful and spiteful, if she never marries. She will do with her might what her hand finds to do and there will be love in her heart toward all, and a song on her lips."

Don't send your money away from home, and when you are hard up, ask your home merchant for months or years of credit. It is not fair.

Don't growl about your home merchants living in fine houses, when you send away your money to keep up mansions for those who do not know you.

Don't talk about your increase in taxes, when you send your cash away where not one cent of it will ever be circulated in your own town, village or county.

Don't ask your home merchants for donations for your church, then send away for goods, perhaps to furnish the same. See what you can do at home.

Don't expect your children to earn high salaries, unless you spend your money near at home and all work together in trying to build up your own province.

## Murder and Attempted Suicide at Parrsboro

AMHERST, N. S., March 26.—Word just reached here at one o'clock today of a terrible tragedy at Parrsboro, Cumberland County. At noon today a prominent young man named Lewis K. Smith, who conducts a butcher shop in that town, was working away as usual when James Rector, another young man, entered and made the remark, "Smith, you are not looking well this morning." Smith immediately drew a revolver from his pocket and fired a shot at Rector.

The bullet entered his breast, near the right lung. Then turning the weapon on himself, he fired a shot in his own mouth.

Rector was immediately carried to a nearby drug store, but he lived only a few minutes. Smith is still alive, but the doctors say he can only live a few hours.

The only reason that can be given is that Smith was temporarily deranged. He had been carrying the revolver around the store for the purpose of shooting rats.

The quiet town is in great excitement over the sad affair, which has cast a gloom over it.

A lady, belonging to the fashionable set in Detroit, Michigan, married a man, the other day, in the belief that he was a genuine Lord. In a few days she discovered that the nobleman was an eight-dollar-a-week clerk in a grocery store.

Private letters from Winnipeg state that there are thousands of unemployed walking the streets of that city at present.

## THROW AWAY LINIMENTS

Here's the Prescription to Cure Rheumatism.

Liniments only reach the skin and the muscles directly under the skin. Now, liniments can't cure Rheumatism. They simply deaden the nerves for a time. When the effect wears away, the pain returns worse than ever.

If the ointment does not move regularly if the kidneys are strained or weak, the blood is sure to be filled with impurities or uric acid. This uric acid is changed into uric acid which is the poison that causes rheumatism.

Now, the only possible way to cure rheumatism is to prevent uric acid from being formed. Logically, the only way to do this is to keep kidneys, bowels and skin in good working order and prevent the stomach from being too acid. And the only way to do this is to take "Fruit-a-tives."

These marvelous tablets of fruit juices and tonics act directly on the three great eliminating organs—bowels, kidneys and skin—and put them in perfect condition. That is the only secret of their great success in curing rheumatism, sciatica and lumbago.

The Russian authorities have discovered two bomb factories at Sebastopol and a conspiracy to blow up the Black Sea fleet.

RHEUMATIC PAINS RELIEVED.

Mr. Thos. Stanton, postmaster of "Outyood," Ont., writes: "For the past eight years I suffered from rheumatic pains, and during that time I used many different liniments and remedies for the cure of rheumatism. Last summer I procured a bottle of Chamberlain's Cough Remedy, and more relief from it than anything I have ever used, and cheerfully recommend this liniment to all sufferers from rheumatic pains." FINANCING IN THE KITCHEN.

Anna, Steve Richardson, in the March number of Woman's Home Companion, gives some hints that are of inestimable value to the housewife, and especially to the girl who earns her own living.

One woman writes her: "How can I earn money without having home? Can a woman whose one talent is housekeeping turn it to practical account?"

Her reply is in part as follows: "The woman who can cook well, who knows how to prepare dainties as well as wholesome food, who has something worth offering in the culinary line, is really better off to-day than the home girl who is an indifferent cook, but free to turn to office or store work when the family income drives her to wage earning."

"In every city the country over you will find women who seldom leave their stoves, yet make incomes that put a stenographer or bookkeeper to shame. They bake cakes, bread and pies for private customers, or exchange women's work, or grocers. They specialize on salads or jellies or home made candies."

"They provide college spreads in university towns. They enter to hostesses who cannot afford the professional caterer from the nearest city, and whose servants are not to be trusted with dainties for luncheons, card parties, receptions, etc."

## HINTS FOR THE HOUSE-WIFE.

To clean iron shake rub them well with cloth wet with kerosene.

Put a little salt-petre in the water you use for your bouquets and the flowers will live a fortnight.

Kerosene is an excellent cleanser. Add some to the washing water if you want your clothes to be extra white.

Wash articles of brass which are tarnished in the water in which potatoes have been boiled and they will be as bright as if new.

Discolored ivory may be restored to its original whiteness by painting it with spirits of turpentine and putting it out in the sunshine for two or three days.

Use equal parts of kerosene and machine oil to clean the sewing machine. The kerosene cuts up the dirt that clings to the machinery as nothing else will.

To clean copper kitchen utensils—soak them in water and add a little soap. It will and apply to copper. Sprinkle powdered borax over it and polish with a dry cloth.
