Lenton's Fowls

 Are noted winners. To my already fine yards, I have recently added the entire flock of **Golden Wyandottes** of C. W. Johnson, Crawford, N.J., which includes Jersey King, winner of three firsts at New York, and never beaten wherever shown, then third at New York, and dozens of other famous winners at Philadelphia, Hackensack, Newburg, etc. Remember I also bought from M. D. Hinds his 1st hen and 3rd cock at New York, 1895. In Silver Wyandottes I have just received a fine pen from E. L. Everett, Spokane, Washington, thus making my pens of this variety equal to any. **White P. Rocks** (Rice's stock) and **Black Hamburgs** (McNeil's stock) equal to my Golden Wyandottes. Eggs, \$2.00 per 13. **Bronze Turkeys** of immense size and rich color. Eggs, \$3.00 per 13. Four full particulars send for catalogue. I am agent for **Webster & Hannum Bone Cutters**. Catalogue free.
