DEPOSIT DEPARTMENT.

To facilitate business between buyer and seller we have opened a department under above head, and will receive purchase money till the bargain is consummated. The plan is as follows: Suppose A in London desires to purchase a bird or birds from B in Montreal, but naturally does not like to send money to one who is entirely unknown to him. Instead of doing so A sends us the money, writes to B same time, and we notify both of the receipt of amount. B then ships the purchase to A on approval and when A writes us that the purchase is satisfactory we forward amount to B less our commission. If the birds are not satisfactory A returns them to B and we return money to A less our commission.

RULES—1. All purchases must be sent on approval, buyer to pay charges each way unless otherwise arranged.

2. Our commission on sales up to \$20 is 50 cents, over \$20 2 1/2 per cent. If no sale is made we return money less same amount.

3. Packing must be supplied free of charge by seller unless otherwise arranged.

This Coupon is good for one advertisement of 30 words in the "For Sale and Exchange" or "Stock Transfers" columns.

Canadian Poultry Review, Toronto, Ont.

To meet the wants of advertisers who are continually using this column, and who find it a great trouble to be constantly remitting small amounts, we have adopted the plan of issuing Coupons (as above) good for 30 words each, 4 for \$1. Any one buying these Coupons can use them at any time in lieu of money when sending in an advertisement. Not less than four Coupons sold.
