If you go to the Klondyke, be sure that your outfit is light and that you have something warm to sleep in. The lightest known substance is **Elderdown**. It is warmer than anything else in the world.

The "**Alaska Brand**" sleeping bag has double linings of Elderdown, besides a lining of warm gray wool, and is covered on the outside with a windproof and waterproof canvas. It is warmer than whole stacks of blankets, weighs fourteen pounds, and is not injured by rain or snow.

The entire Government Expeditions were equipped with these bags.

The best houses on the coast handle this bag, every one of which is labelled with our name. If your dealer has not got them in stock and refuses to get one, send us money order for \$24.50 and we will see that one reaches you promptly *without any further charge*.

For our Elderdown Cap and Hood see advertisement in next number.
