That all sums collected as duty on such Copyright Works shall (less the cost of advertising, postage and making up the accounts of the same,) at the end of every fiscal year, say 31st June, be allotted to Her Majesty's Principal Secretary of State for the Colonies or such other Officer or party as may be from time to time appointed by competent authority to receive the same, together with a statement showing the amounts collected for each Copyright Work. In order that the proceeds of such duty may be paid over to or among the party or parties beneficially interested in the Copyright of the Works which may be imported, under these regulations.

Whereof the Honorable the Minister of Customs shall take due notice, and give the necessary directions for carrying the same into effect.

WM. H. LEE,

GOVERNMENT HOUSE, OTTAWA.

Thursday, 1st day of October, 1868.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it has been represented to His Excellency through the Board of Agriculture of the Province of Ontario, that the contagious disease or epidemic affecting Horned Cattle, which recently prevailed in many parts of the United States of America, has almost entirely disappeared, and it is therefore expedient that the Order in Council of the 13th August last, prohibiting the importation or introduction of Horned Cattle from the said United States of America into the Provinces of Quebec and Ontario, be revoked, and the importation of Horned Cattle into Canada, permitted under certain Regulations hereinafter mentioned,—

His Excellency in Council, on the recommendation of the Honorable the Minister of Agriculture, and under the provisions of Act 29 Vic., Cap. 15, has been pleased to order, and it is hereby ordered, that from and after the 31st day of October instant, the Order in Council of the 13th August last prohibiting the importation of Horned Cattle from the said United States of America into the Provinces of Quebec and Ontario, shall be, and the same is hereby revoked.

His Excellency in Council, under the authority aforesaid, has further been pleased to make the following Regulations, that is to say:

On, from and after the said eighth day of October last, all cattle intended to be imported or introduced into the Province of Ontario, at the Ports of Windsor or Sarnia, shall, previous to their introduction, be inspected by such person or persons as may be appointed for that purpose, and whose permission shall be obtained before such cattle shall be allowed to proceed to their destination.

All Railway Companies conveying such cattle shall be, and they are hereby, required to cause the cars used for the conveyance of the same to be thoroughly cleaned and disinfected immediately after the removal of the cattle therefrom.

These Regulations shall remain in force until the first day of November next, and longer.

WM. H. LEE,

Clerk Privy Council.

THE MERCHANTS' PROTECTIVE UNION
MERCANTILE REFERENCE REGISTER.

THE MERCHANTS' PROTECTIVE UNION, organized to promote and protect trade, by enabling its subscribers to attain facility and safety in the granting of credits, and the recovery of claims at all points, have to announce that they will, in September, 1868, publish in one large quarto volume:

THE MERCHANTS' PROTECTIVE UNION MERCANTILE REFERENCE REGISTER, containing, among other things, the Names, Nature of Business, Amount of Capital, Financial Standing, and Rating as to Credit, of over 400,000 of the principal merchants, traders, bankers, manufacturers, and public companies, in more than 30,000 of the cities, towns, villages, and settlements throughout the United States, their territories, and the British Provinces of North America, and embracing the most important information attainable and necessary to enable the merchant to ascertain at a glance the Capital, Character, and Degree of Credit of such of his customers as are deemed worthy of any gradation of credit, comprising also, a Newspaper Directory containing the title, character, price, and place of publication, with full particulars relative to each journal, being a complete guide to the press of every county in the United States.

The reports and information will be confined to those deemed worthy of some line of credit; and as the same will be based, so far as practicable, upon the written statements of the parties themselves, revised and corrected by well-known and reliable legal correspondents, whose character will prove a guarantee of the correctness of the information furnished by them, it is believed that the reports will prove more truthful and complete, and, therefore, superior to, and of much greater value, than any previously issued.

By the aid of the Mercantile Reference Register, business men will be able to ascertain, at a glance, the capital and gradation of credit, as compared with financial worth of nearly every merchant, manufacturer, trader, and banker, within the above-named territorial limits.

On or about the first of each month, subscribers will also receive the Monthly Chronicle, containing among other things, a record of such important changes in the name and condition of firms, throughout the country, as may occur subsequent to the publication of each half-yearly volume of the Mercantile Reference Register.

Prices of the Merchants' Union Mercantile Reference Register, fifty dollars (\$50,) for which it will be forwarded to any address in the United States, transportation paid.

Holders of five \$10 shares of the Capital Stock, in addition to participating in the profits, will receive one copy of the Mercantile Reference Register free of charge; holders of ten shares will be entitled to two copies, and no more than ten shares of Capital Stock will be allotted to any one applicant.

All remittances, orders, or communications relative to the book should be addressed to the Merchants' Protective Union, in the American Exchange Bank Building, No. 128 Broadway, (Box 2566) New York.
