

## The Best Bargain You Ever Made

**S**UPPOSE you bought an engine that did practically all of your hardest work for you—sawing, pumping, grinding, etc.—and that paid for itself in a short time. Would you call that a good bargain? An IHC engine will do all that, and more. Having paid for itself, it will continue to earn its way by working steadily year after year until you will say, “My IHC engine is the best bargain I ever made.”

## IHC Oil and Gas Engines

are thoroughly dependable, and unusually durable. The fine-grained, grey cast-iron cylinders and pistons are worked together to a perfect fit. The ground piston rings insure maximum power from the explosion. The ignition apparatus can be understood at a glance. The fuel mixer is the most effective and simplest known. Moving parts are perfectly balanced. Bearings are large and carefully fitted.

IHC engines are made in all styles—vertical and horizontal, portable and stationary, air and water-cooled; in sizes from 1 to 50-horse power, to operate on gas, gasoline, naphtha, distillate, kerosene or alcohol. Kerosene-gasoline tractors, 12 to 60-horse power.

The IHC local agent will show you the good points of the IHC engine. Get catalogue from him, or, write the nearest branch house.
