ADVICE TO MOTHERS.—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It cools the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. 50/52

I CURE FITS!

When I say cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I grant my remedy to cure the worst cases. Because I have lived all my life for not now recollecting a cure. I have cured a terrible case. A few bottles of my medicine will cure Epilepsy and Fits. It costs you nothing for a trial, and I will cure you. Address DR. H. G. ROOT,
Branch Office, 37 Yonge St., Toronto.
