The Archbishops and Bishops of the Church of England and a large number of eminent Clergymen and Ministers of all denominations concur in recommending:
THE OXFORD BIBLE FOR TEACHERS. 2/13

THE additional matter has been carefully revised and enlarged from time to time by Dr. Stubbs, Bishop of Chester; Dr. Edwin Palmer, Archdeacon of Oxford; Dr. Angus, and other eminent scholars. The scientific information was prepared under the supervision of Professors Rolleston, Westwood, Lawson and Earle—names of the highest authority in their several departments.

IT IS NOW ISSUED IN TWELVE SIZES,
With the Text arranged in each so as to correspond page for page with all the others.

The Rev. Principal Cunningham, D.D., LL.D.

"I have never seen anything more perfect. The Helps contain a vast amount of useful and interesting knowledge."

The Rev. Donald Macleod, D.D.
"The Helps form, in my opinion, quite an unrivalled reference book. I can honestly say that I have been surprised at the amount and accuracy of the information which is here so admirably arranged, section after section."

The Rev. A. K. H. Boyd, D.D.
"All the helps a preacher or teacher can need for the study of the Bible were never before brought together in such a compendious form."

The Rev. J. Marshall Lang, D.D.
"The Helps are quite a thesaurus of most valuable information, most distinctly arranged and most succinctly expressed. I cannot conceive a more admirable vade mecum for Clergyman, Teacher, indeed for every Student of the Bible, than the OXFORD BIBLE FOR TEACHERS."

THE EDITIONS OF THE Oxford Bible For Teachers PRINTED ON THE Oxford Thin India Paper form exceptionally useful and elegant Presents.

The Semi-Tontine Return Premium Plan of the North American Life Assurance Co. provides that should death occur prior to the expiration of the Tontine period, the whole of the premiums that may have been paid will be payable with, and in addition to, the face of the policy—thus securing a dividend of 100 per cent. on the premiums paid, should death occur during said period.
The Commercial Plan.—The large number of business and professional men who have taken out large policies on the Company's Commercial Plan show that the demand for reliable life insurance, relieved of much of the investment element which constitutes the overpayments of the ordinary plans, is not confined to men of small incomes, but exists among all classes of our people.
