Coughs, Colds, Croup. Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Cough, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs, ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.

Care For The Eyes. The eyes by expelling, from the blood, the humors which weaken and injuriously affect them. For this purpose use Ayer's Sarsaparilla. It gives tone and strength to the digestive apparatus, and, by purifying the blood, removes from the system every scrofulous taint. After having been constantly troubled with weak eyes from childhood, I have at last found, in Ayer's Sarsaparilla, a remedy which has relieved and cured me. My general health is much improved by the use of this valuable medicine. — Mary Ann Sears, 7 Hollis St., Boston, Mass. Nearly Blind. I have used Ayer's Sarsaparilla in my family, for over nine years. My oldest daughter was greatly troubled with Scrofula, and, at one time, it was feared she would lose her eyesight. Ayer's Sarsaparilla has completely restored her health, and her eyes are as well and strong as ever. — G. King, Killingly, Conn. My son was weak and debilitated; troubled with Sore Eyes and Scrofulous Humors. By taking Ayer's Sarsaparilla his eyes have been cured, and he is now in perfect health. — Alarie Mercier, 3 Harrison Ave., Lowell, Mass. My daughter was afflicted with Sore Eyes, and, for over two years, was treated by eminent oculists and physicians, without receiving any benefit. She finally commenced taking Ayer's Sarsaparilla. This medicine has cured her of Scrofula, and her eyes are now well and strong. — H. P. Bort, Hastings, N. Y. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

THE Small Boy's Way. Mr. Medford: Your son seems to be very industrious. Mrs. Medford: To a certain extent. He is always doing something when it is time to go to bed. C. L. EASTON, of Hamilton, Ont., speaks in terms of gratitude and praise of the great benefit he derived from Burdock Blood Bitters, taken for Dyspepsia. Of what occupation is the Sun? A tanner. "I've taken to the study of my own heart," said an old miser. "Well," said his nephew, "I never supposed you'd buy a microscope." Minard's Liniment Cures Disemper. JOHN SMITH: But how can you marry her? You are too poor even to pay your rent. Jack Uppers: Oh, but I expect parental assistance. LONG-WINDED.—Holworthy (entering late): How long has Dr. Vox been preaching? Sexton: Twenty-two years, sir. Holworthy: I guess I won't go in, then. CAUTION.—In our changeable climate coughs, colds and diseases of the throat, lungs and chest will always prevail. Croup, consumption will claim its victims. These diseases, if attended to in time, can be arrested and cured. The remedy is DR. WISTAR'S BALSAM OF WILD CHERRY. MUCH of the charity that begins at home is too feeble to go a visiting. WHILE the influenza was at its height a child was born in New York. The family were all down with the disease. The new arrival was a boy, and by unanimous consent he was named Agrippa. Most of the Complaints peculiar to Females may be promptly benefited and cured by the purifying regulating tonic power of Burdock Blood Bitters. DR. SMITH: Your blood is impoverished. I shall have to prescribe some iron for you. Mr. Jones: Don't doctor. My wife says I look rustier than any other man in town already. SOUND doctrine—the principles of acoustics. Minard's Liniment Cures Diphtheria. "YOU are fined \$10," cried the fair girl, as the old gentleman poked his head in the room where she was entertaining her best beau. "What for?" inquired pater. "Contempt of court, of course." OWNER of fish pond (to man who is trespassing). Don't you see that sign, "No fishing here"? I Angler (with an injured air): Yes, and I dispute it. Why there's good fishing here; look at this string. Divorce suit withdrawn because he had a month for cake. And the cake was made from Imperial Cream Tartar Baking Powder. Ask your grocer for it. PERHAPS one reason why fish are so deceptive as to weight is that they carry their own scales with them. THE most graceful of domestic animals is the cat, while the most awkward bird is the duck; but it won't do to use these facts for a basis if you want to call a woman pet names. "MY customers say that Burdock Blood Bitters is the best blood purifier in the market," thus writes Wm. Lock, of McDonald's Corners, Ont. "DOCTOR, might not a sudden fright bring on my trouble again?" "Very certainly." "Then, of course, you will be careful to make out your bill accordingly." "WOULD you, if I were called from you, dear, place a monument over my grave?" "I should be delighted to do so, darling," he said, sympathetically; and they were only a week married. Minard's Liniment Cures Garget in Cows. EXTRACT from a bride's letter of thanks.—"Your beautiful clock was received, and is now in the parlour on our mantel-piece where we hope to see you often." UNCONVENTIONAL.—Flint: Isn't sixty cents rather steep for this tea? Dealer (somewhat deaf): Steep for it? Of course. You didn't think of roasting it, did you? BURDOCK Blood Bitters regulate the secretions, give strength to the debilitated, eradicate all humors of the blood and give excellent satisfaction to all. VISITOR: So you are going to school now, Tommy? Tommy: Yes, ma'am. Visitor: And what part of your studies do you like best? Tommy: Reces. THE man who put on his summer underwear last week is sniffing around with a bad cold. This is in perfect harmony with the laws of gauze and effect. Minard's Liniment Lumberman's Friend.

THE HISTOGENETIC SYSTEM OF MEDICINE. These MEDICINES are perfectly pure and tasteless, containing nothing of a poisonous nature whatever, and reach all CHRONIC AND ACUTE DISEASES. THEORY. Rebuilding the diseased cells and tissues of the body with the same proximate principles and ferments, organic bodies, and so on, which are normally prepared in the body by the glands. Testimony of Mrs. J. Fawcett. 102 JOHN STREET, TORONTO, June 5, 1890. I have been a great sufferer from a female weakness of long standing. I have been treated by several physicians, and also been under treatment in the Toronto General Hospital, but all failed to cure me. I saw a medical book explaining the Histo-genetic System, and resolved to give it a trial. I consulted Dr. Rear, who prescribed these medicines, and assured me they would cure me. I had my doubts, but was determined to try once more. I took treatment for two weeks, and am utterly astonished at the results. I am nearly well, and no language can describe how thankful I am that my life is spared. This testimony is voluntary, and I give it hoping that hundreds of my sex may try the medicines and receive the same marvellous good that I have. They are good to take, and, unlike any medicine I ever took before, leave no bad effects.
