Moliah Reza, who, on the afternoon of May 1st, assassinated Nasr-ed-Din, Shah of Persia, by shooting the monarch with a pistol as he was entering the inner court of the shrine of Shah Abdul Azim, near Teheran, was hanged for his crime on August 12th. Immense crowds of people witnessed the execution of the assassin.

A novel form of missionary work is that undertaken by some Traverse City (Mich.) Endeavorers. They have formed a Christian Endeavor Bicycle Club, and make frequent runs on the evenings of week days out into the surrounding country to form new Christian Endeavor Societies, to visit and help existing ones, and to do other religious work.

An interesting presentation has just been made to Mr. Robert Crockett, uncle of the author of "The Raiders," on his retirement, after twenty-seven years' service as porter at the railway station at Castle Douglas. The old gentleman, who is a great devourer of books, is naturally very proud of the successful career of his nephew, for whose college course in Edinburgh he managed to save enough out of his modest wages. There were many subscribers to the presentation, which took the form of a gold watch and chain.

A Washington correspondent some time ago started a story about Prohibitionist Hull, of Iowa, to the effect that he once admired a knife of Representative Chickering's which had in it a hook, "designed," Chickering said, "to remove stones which might become fastened in a horse's hoof on a rocky road." Hull admired it so much that Chickering gave it to him, and Hull took it home to show to his wife. Mrs. Hull looked at the knife and then at her husband. "John," said she, "any man who has served three terms as Secretary of the State Senate, been twice Lieutenant-Governor, and served two terms in Congress, must be a pretty good man if he doesn't know a champagne-opener from a hoof-cleaner." The story was copied all over the State, and commented on in a variety of ways. Then the congressman met the correspondent who first published the story. He was smiling all over. "You did me a great service," Hull said, wringing his hand affectionately; "all the Prohibitionists are taking my wife's view of my ignorance, and all the 'antis' are insisting that I'm a devil of a good fellow for imposing so successfully on my wife. It works in my behalf whichever way you take it."

In another column in to-day's paper will be found a new announcement of an old favorite, viz.: Warner's Safe Cure. From this time on a new advertisement will appear in each issue of THE CANADA PRESBYTERIAN. Many honest words of praise have been spoken of the kidney and liver cure in question, and judging from its popularity in all parts of the globe and the time it has been before the public it must necessarily possess merit.

A Recount Not Needed

Wins in Every Contest—This Is the Record of Dr. Agnew's Cure for the Heart—Mrs. W. T. Rundle of Dundalk, Ont., Cured in One Day—Dr. Agnew's Catarrhal Powder the Only Remedy to Do Sylvester Lawrence of Wyndham Centre, Ont., Any Good—Dr. Agnew's Ointment a Certain Cure for Piles—Dr. Agnew's Liver Pills Cure Constipation and Headache.

Continued experiments are needed to test the certainty of some things, but this has no application in the case of Dr. Agnew's Cure for the Heart. No matter how severe the pain, it will immediately relieve. Relief comes within one half hour. The disease may be of years' standing, this specific will remove it. Mrs. W. T. Rundle, wife of a well-known cattle dealer in Dundalk, suffered severely for a considerable time from heart disease. As she says: "I was for some time unable to attend to my household duties. No remedies did me any good. I was induced to try Dr. Agnew's Cure for the Heart, and I must say the result was wonderful. The pain left me after the first day and I have had no trouble since."

Dr. Agnew's Catarrhal Powder is recommended by all classes of people. The leading clergymen of the country, over their own signatures, have borne testimony to its effectiveness. Nearly 100 members of the late House of Commons have done the same service. It has cured the worst cases of deafness, an outcome of catarrh. Sylvester Lawrence of Wyndham Centre, Ont., says that this remedy is the only thing that he can use with ease and comfort. His words are: "It is the best remedy I have ever tried and I have used a good many."

The very best thing that can be said of Dr. Agnew's Ointment is that in the case of piles it will cure in from three to six nights. It is a certain cure for tetter, salt rheum and all eruptions of the skin.

Simple and yet most effective are the Little Liver Pills of Dr. Agnew. They are easy to take and cure sick headache, constipation, biliousness and indigestion as by magic. 10 cents a vial—40 doses.

A movement is on foot to raise £14,000 as a thank-offering for the Jubilee of the Church of Scotland Endowment Scheme to be held next year. This would enable the committee to complete the endowment of the nine churches remaining out of the fifty it was resolved to raise to the status of parishes in 1857. Since the commencement of the Endowment Scheme in 1847, 397 chapels have been constituted parish churches, quoad sacra, and each provided with an endowment of not less than £3,000.
