

# Epworth League Reading Course 1900-1901

WE have pleasure in announcing that the new Epworth League Reading Course is now ready, and we believe that it surpasses any course yet selected. The following books have been chosen:

- 1. Famous English Statesmen.** By SARAH K. BOLTON. This volume is intended to give a graphic pen picture of English history during the century now closing, in the form of biographies of the men who stood at the helm of state. Chapters are devoted to Sir Robert Peel, Lord Palmerston, Lord Shaftesbury, Wm. E. Forster, Lord Beaconsfield, W. E. Gladstone. The accompanying illustrations are very fine. Regular price of the book, \$1.50.
- 2. Out With the Old Voyagers.** By HORACE B. CROSER. The story of early discovery is here told in the most fascinating way. The voyages of Columbus, Cabot, Froisher, Magellan, Hawkins, are described, and illustrated by a large number of excellent engravings. Regular price, \$1.25.
- 3. The Apostle of the North.** The life of James Evans. By REV. EGERTON R. YOUNG. In response to the demand for a missionary book, this volume has been chosen. It contains a large amount of missionary information grouped about the life story of one of the most devoted missionary workers who ever lived. It is as interesting as a romance. Regular price, \$1.25.
- 4. Canadian Citizenship.** By JOHN MILLAR, B.A., Deputy Minister of Education for Ontario. This book very appropriately follows "The New Citizenship," as it deals especially with Canadian questions touching the government of the country, and has been written expressly for young people. Regular price 60c.

This set of books is costing us more than any that we have ever prepared, the regular retail price of the four volumes being \$4.60, but we will adhere to the old price. The four books, beautifully and uniformly bound in the best of English cloth, will be mailed to any address in Canada, postage paid, for **\$2.00**
