

## Which Cyclopedias?

It is generally admitted that a good Cyclopedias is a desirable possession for every home. As to which Cyclopedias is the best for popular use, the "Doctors disagree." Evidently the matter of choice should depend somewhat upon the use for which it is intended. A customer of ALDEN'S MANIFOLD CYCLOPEDIA writes to the publisher as follows:

"I have been exhibiting the Manifold among my acquaintances, and expatiating on its excellence and wonderful cheapness. Among those to whom I have shown the volumes, I found but one young man who did not need the Manifold. He has a cyclopedias; a number of large volumes; he did not know how many, nor did he know the name of the editor or publisher; but they are very large, heavy volumes. Believing he did not frequently consult them, I asked if he ever used them.

"Certainly," said he, "I use them every day."

"What can you possibly do with them?"

"Why, I press my trousers with them."

"My dear sir," said I, "you do not need the Manifold. Mr. Alden publishes books for the purpose of improving the intellect, and not to give shape to the legs. Do you stick to your ponderous, unwieldy volumes; they are well adapted to the purpose for which you use a cyclopedias, but the dainty volumes of the Manifold—how delightful to handle, and how beautiful to behold—are made with a view to ease of reference and convenience of consultation, and cannot be successfully converted into a substitute for trousers's stretchers."—EDWARD EBERBACH, Washington.
