Having for the past three years published the names of most of the leading physicians of Canada endorsing both these remedies, I will therefore now only give the names of a few of the profession, and will add the opinions of some of the leading Druggists throughout the Dominion.

FROM LEADING CHEMISTS AND DRUGGISTS.

144 ST. LAWRENCE MAIN ST., MONTREAL, NOV. 18, 1880.

I beg to say that Hydroleine is increasing in favor with the medical profession. It digests easily and in most cases rapidly, and brings up the weight of the patient. To prove which, several physicians have weighed their patients before beginning the remedy. My sales this month are larger than ever.

HENRY R. GRAY, Chemist.

TORONTO, AUG. 15, 1881.

With reference to your Maltopepsyn, I would say I have never sold any preparation of the kind which seemed to give such universal satisfaction both to physicians and patients.

The increasing sales with the testimony of numbers who have obtained marked benefit from its use, show that Hydroleine is a great success.

H. J. ROSE, Pharmacist.

TORONTO, JULY 20, 1881.

We have much pleasure in informing you that the sale for Hydroleine and Maltopepsyn is increasing greatly, both over the counter and in dispensing. Many people who cannot take Cod Liver Oil take the Hydroleine with great benefit.

E. HOOPER & CO., Chemists and Druggists.

We have very favorable news in reference to Hydroleine and Maltopepsyn. Their sale is increasing, and we have heard through medical men who have prescribed them that they both give entire satisfaction.

I have much pleasure in saying that numbers of my customers express themselves highly satisfied with the action of both Hydroleine and Maltopepsyn, and in consequence I find the sales increasing.

J. A. HARTE, Chemist and Druggist.

444 QUEEN ST. WEST, TORONTO, MARCH 4, 1882.

I have much pleasure in informing you that the sale of Hydroleine and Maltopepsyn is rapidly increasing, and the very best of results invariably follow their use. Leading medical men are ordering them freely, which fact is sufficient guarantee of their being reliable preparations.
